

Notice of Intent to Award a Contract under the National Joint Powers Alliance (NJPA) Cooperative for Roadway Maintenance Equipment with Related Accessories, Services and Supplies

The Township of Lakewood intends to participate in the NJPA RFP #113012-VTL for Roadway Maintenance Equipment with Related Accessories, Services and Supplies and to purchase, through said contract, a Rosco RA-400 chassis mounted spray patcher. The purchase is through US Municipal at 461 Glennie Circle King of Prussia PA 19406, an authorized dealer for VT LeeBoy Inc., the awardee for this NJPA contract.

Information regarding the contract may be found at the Township Municipal Building 231 Third Street Lakewood NJ during regular business hours as well as on-line at <http://www.njpacoop.org/cooperative-purchasing/contracts-fleet/roadway-maintenance-asphalt-snow-ice/113012-vtl/> The Township of Lakewood joined the NJPA as of September 3, 2013. The NJPA's contract term with VT LeeBoy is from February 20, 2016 through February 20, 2017.

It is the intent of the Township of Lakewood to make a contract award to US Municipal, authorized dealer for LeeBoy, Inc., pursuant to the proposal submitted by LeeBoy, Inc. in response to the NJPA's request for proposal.

The Township of Lakewood is permitted to execute National Cooperative purchasing agreements under the authority N.J.S.A. 52:34-6.2(b)(3).

Comment period ends August 17, 2016.
