(\*)Asterisk indicates document is included in the "Bid Submittal Package"

## Instructions To Bidders And Statutory Requirements

### Article 1 – Introduction And General Information

1-1. The Township of Lakewood, 231 Third Street, Lakewood, Ocean County, New Jersey 08701, invites sealed bids pursuant to the Notice to Bidders. All bidders and interested parties are welcome to attend. Be advised that no determination of award will be made at the bid opening.

1-2. The Township of Lakewood is hereinafter referred to as the "Township", The State of New Jersey as the "State" and the County of Ocean as the "County".

1-3. The front part of this Bid Specification is commonly known as the Boilerplate and contains the instructions to bidders and statutory requirements for all bids. The back part of this Bid Specification contains the Detailed Specification and Bid Proposal Sheet written specifically for this bid. Bidders are required to read and comply with both sections. The Detailed Specifications shall take precedents over conflicting requirements stated within the boilerplate but shall not take precedents over any Addendums issued.

1-4. All bidders will receive:

a. the complete Bid Package that will include the Bid Specification and any unattached documents such as drawings, prevailing wage documents samples when necessary and all other documents and materials that can be supplied by the Township. This package shall be completed and retained by the bidder for reference.

b. the Bid Submittal Package to be completed and returned. It contains copies of the required forms found in the Bid Specification; the Detailed Specifications for quick and easy reference during bid preparation; the Exception to Bid Specification Sheet and the Bid Proposal Sheet. These documents need to be completed properly and in their entirety. Failure to do so may subject your bid to immediate rejection.

1-5. The Bid Proposal Sheet must be completed as instructed in the Detailed Specifications. Unless specifically stated otherwise, this is the only form acceptable. Computer printouts or proposals submitted in a manner not specified will be immediately rejected. Bid Proposal Sheets submitted without an original signature will be immediately rejected.

1-6. For your bid to be considered a formal bid, you may be required to submit additional documents not contained in the Submittal Package such as a Bid Bond, Consent of Surety, a copy of your Public Works Contractor Registration and copies of trade licenses or certifications. Any additional forms required will

be stated on the Bidders Checklist; in the Boilerplate and/or in the Detailed Specifications. Bidders are instructed to make a close and careful review of the "DOCUMENT SUBMISSION CHECK LIST" page 4.

1-7. Additionally there may be other documents required after the formal award of the bid such as Insurance Certificates and Affirmative Action Forms.

1-8. Under advisement of the Department of Community Affairs, Division of Local Government Services and the opinion of the Township Attorney, the Township does not give out the names of the bidders or the estimated cost of any project currently being bid, that has not yet been formally opened and read.

1-9. There is no refund for any fees charged for these specifications if the Township awards a contract. If no award is made the bidder may, with the return of the original bid documents in reasonably good condition, receive the specifications for the rebid free of charge. There is no refund if the bidder chooses not to rebid. If there is no re-bid, the bidder is entitled to a refund with the return of the specifications in reasonably good condition within 90 days of formal council action and in accordance with Township practices.

**Article 2 - Submission Of Bids**

2-1. Sealed bids shall be received by the contracting unit, hereinafter referred to as "Township," in accordance with public advertisement as required by law, with a copy of said notice being attached hereto and made a part of these specifications.

2-2. Sealed bids will be received by the designated representative as stated in the Notice to Bidders, and at such time and place will be publicly opened and read aloud.

2-3. The bid shall be submitted in a sealed envelope: (1) addressed to Yehuda Abraham, Purchasing Agent, 231 Third Street, Lakewood, New Jersey 08701, (2) bearing the name and address of the bidder written on the face of the envelope, and (3) clearly marked "BID" with the contract title and/or bid # being bid.

2-4. It is the bidder's responsibility that bids are presented to the Township at the time and at the place designated. Bids may be hand delivered or mailed; however, the Township disclaims any responsibility for bids forwarded by regular or overnight mail. If the bid is sent by express mail service, the designation in subsection 2-3 above must also appear on the outside of the express mail envelope. Bids received after the designated time and date will be returned unopened. Even with a delivery service, it is strongly recommended that the

bidder call the Township Clerk's office well in advance of the opening to ensure that the bid is in their possession.

2-5. Sealed bids forwarded to the Township before the time of opening of bids may be withdrawn upon written application of the bidder who shall be required to produce evidence showing that the individual is or represents the principal or principals involved in the bid. Once bids have been opened, they shall remain firm for a period of sixty (60) calendar days.

2-6. All prices and amounts must be written in ink or preferably machine-printed. Bids containing any conditions, omissions, unexplained erasures or alterations, items not called for in the bid proposal form, attachment of additive information not required by the specifications, or irregularities of any kind, may be rejected by the Township. Any changes, whiteouts, strikeouts, etc. in the bid must be initialed in ink by the person signing the bid.

2-7. Each bid proposal form must give the full business address, business phone, fax, e-mail if available, the contact person of the bidder, and be signed by an authorized representative as follows:

a) Bids by partnerships must furnish the full name of all partners and must be signed in the partnership name by one of the members of the partnership or by an authorized representative, followed by the signature and designation of the person signing.

b) Bids by corporations must be signed in the legal name of the corporation, followed by the name of the State in which incorporated and must contain the signature and designation of the president, secretary or other person authorized to bind the corporation in the matter.

c) Bids by sole-proprietorship shall be signed by the proprietor.

d) When requested, satisfactory evidence of the authority of the officer signing shall be furnished.

2-8. Bidder should be aware of the following statutes that represent "Truth in Contracting" laws:

a) N.J.S.A. 2C:21-34, et seq. governs false claims and representations by bidders. It is a serious crime for the bidder to knowingly submit a false claim and/or knowingly make material misrepresentation.

b) N.J.S.A. 2C:27-10 provides that a person commits a crime if said person offers a benefit to a public servant for an official act performed or to be performed by a public servant, which is a violation of official duty.

c) N.J.S.A. 2C:27-11 provides that a bidder commits a crime if said person, directly or indirectly, confers or agrees to confer any benefit not allowed by law to a public servant.

d) Bidder should consult the statutes or legal counsel for further information.

### **Article 3 - Pricing Information For Preparation Of Bids**

3-1. The Township is exempt from local, state and federal sales, use or excise tax.

3-2. Estimated Quantities (Open-End Contracts): The Township has attempted to identify the item(s) and the estimated amounts of each item bid to cover its requirements; however, past experience shows that the amount ordered may be different than that submitted for bidding. The right is reserved to decrease or increase the quantities specified in the specifications pursuant to N.J.A.C.5:30-1.1.2 and 1.1.10. No minimum purchase by quantity or dollar amount, either by individual order or total contract value is expressed, implied or guaranteed.

3-3. Contractor shall be responsible for obtaining any applicable permits or licenses from any government entity that has jurisdiction to require the same. All bids submitted shall have included this cost.

3-4. Bidders shall insert prices for furnishing goods and services required by these specifications. Prices shall be net, including but not limited to any charges for packing, crating, containers, shipping and handling, freight, insurance, late payment fees, restocking fees, surcharges including fuel surcharge, and any and all charges not specifically mentioned. All transportation charges shall be fully prepaid by the contractor, **F.O.B. destination** and placement at locations specified by the Township. As specified, placement may require inside deliveries. No additional charges will be allowed for any transportation costs resulting from partial shipments made for the contractor's convenience. The Township will only pay for those items listed on the Bid Proposal Page at the prices awarded.

### **Article 4 - Brand Names, Standards Of Quality And Performance**

4-1. Brand names and/or descriptions used in these specifications are to acquaint bidders with the types of goods and services desired and will be used as a standard by which goods and services offered as equivalent will be evaluated.

4-2. Variations between the goods and services described and the goods and services offered are to be fully identified and described by the bidder on a separate sheet and submitted with the bid proposal form. Vendor literature WILL NOT suffice in explaining exceptions to these specifications. In the absence of any exceptions by the bidder, it will be presumed and required that the goods and services as described in the bid specification be provided or performed.

4-3. It is the responsibility of the bidder to document and/or demonstrate the equivalency of the goods and services offered. The Township reserves the right to evaluate the equivalency of the goods and services.

4-4. In submitting its bid, the bidder certifies that the goods and services to be furnished will not infringe upon any valid patent or trademark and that the successful bidder shall, at its own expense, defend any and all actions or suits charging such infringement, and will hold the Township harmless from any damages resulting from such infringement.

4-5. Only manufactured and farm products of the United States, wherever available, shall be used pursuant to N.J.S.A. 40A:11-18.

#### **Article 5 - Interpretation And Addenda**

5-1. The bidder understands and agrees that its bid is submitted on the basis of the specifications prepared by the Township. The bidder accepts the obligation to become familiar with these specifications.

5-2. Bidders are expected to examine the specifications and related bid documents with care and observe all their requirements. Ambiguities, errors or omissions noted by bidders should be promptly reported in writing to the appropriate official. Any prospective bidder who wishes to challenge a bid specification shall file such challenges in writing with the contracting agent no less than three business days prior to the opening of the bids. Challenges filed after that time shall be considered void and having no impact on the contracting unit or the award of a contract pursuant to N.J.S.A. 40A:11-13. In the event the bidder fails to notify the Township of such ambiguities, errors or omissions, the bidder shall be bound by the requirements of the specifications and the bidder's submitted bid.

5-3. As you read, list your questions in order referencing the page number and line item. Then direct those questions and concerns to the Purchasing Office at 231 Third Street, Lakewood, New Jersey 08701, by phone at 732-364-2500 x5971 or by fax to 732-905-5964 during normal weekdays between 9:00 a.m. and 5:00 p.m. Any questions that cannot be answered with the information already provided in the bid package will be shared with all bidders and answered through an addendum. All questions must be received at least seven (7) business days prior to the date fixed for the opening of the bid for goods and services.

5-4. All interpretations, clarifications and any supplemental instructions will be in the form of written addenda to the specifications, and will be distributed to all prospective bidders. All addenda so issued shall become part of the

specification and bid documents, and shall be acknowledged by the bidder in the bid. The Township's interpretations or corrections thereof shall be final.

5-5. When issuing an addenda, the Township shall provide required notice prior to the official receipt of bids to any person who has submitted a bid or who has received a bid package pursuant to N.J.S.A. 40A:11-23c.1.

5-6. Discrepancies in Bids:

a) If the amount shown in words and its equivalent in figures do not agree, the written words shall be binding. Ditto marks are not considered writing or printing and shall not be used.

b) In the event that there is a discrepancy between the unit prices and the extended totals, the unit prices shall prevail. In the event there is an error of the summation of the extended totals, the computation by the Township of the extended totals shall govern.

5-7. If stated in the Notice to Bidders and/or the Detailed Specifications, a pre-bid conference for this proposal will be held on the date, time and place stated. Attendance is not mandatory, but is strongly recommended. Failure to attend does not relieve the bidder of any obligations or requirements.

#### **Article 6 - Exceptions To Specifications**

6-1. The bidder shall understand that all requirements within these specifications shall be provided as written unless the bidder has taken a specific exception.

6-2. Exceptions must be formally accepted by the Township.

6-3. Bidders are reminded that taking an "Exception" does not automatically indicate that the bidder's proposal is "not equal". Each exception shall be evaluated on its own merit based on the information supplied by the bidder.

6-4. Areas to be considered as exceptions include but are not limited to the bidder's inability or unwillingness to comply with any requirement stated in the complete bid package; or perform exactly as written; or to acquire the necessary required documents; or provide the goods or services exactly as specified or exceeds a specified measurement.

6-5. Any and all exceptions taken to these specifications must be listed on the "Exceptions to Specifications" sheet. One copy is included with the submittal package. Bidders are to reproduce this sheet as necessary and shall attach them to and submit with his bid proposal.

**See Appendix Page A9**

**This form is also included in the bid submittal package.**

6-6. Exceptions are to be listed in the order taken, clearly identifying the requirement or equipment, and fully and completely stating the exception.

6-7. Any and all documentation supporting the exceptions must be included with the bid proposal package in accordance with Article 4 - Brand Names, Standards Of Quality And Performance for evaluation purposes.

6-8. If discrepancies are found during the evaluation process between what is specified and what is offered by the bidder, the Township may reject the bid as informal and noncompliant.

6-9. Failure to provide the material described will subject any Bonds held by the Township to forfeiture, or the Township may deduct and retain out of the monies due, or which may become due such sum as shall be sufficient to pay the difference between the prices on which the award is made and the prices which the Township may or shall be obliged to pay to procure such supplies from other parties, or as further defined in the Detail Specifications.

*The following items 7-1 through 7-5 are only required when stated in the Notice to Bidders and/or the Detailed Specifications. Review the Bidders Checklist to see if the Bid Guarantee and Consent of Surety is required at the time of the bid submittal.*

### **Article 7 - Bid Security And Bonding Requirements**

#### **7-1. Bid Guarantee:**

The Bidder shall submit with the bid a certified check, cashier's check or bid bond in the amount of ten percent (10%) of the total price bid, but not in excess of \$20,000, payable unconditionally to the Township. When submitting a Bid Bond, it shall contain Power of Attorney for full amount of Bid Bond from a Surety Company authorized to do business in the State of New Jersey and acceptable to the Township. The check or bond of the unsuccessful bidder(s) shall be returned pursuant to N.J.S.A. 40A:11-24a. The check or bond of the bidder to whom the contract is awarded shall be retained until a contract is executed and the required performance bond or other security is submitted. The check or bond of the successful bidder shall be forfeited if the bidder fails to enter into a contract pursuant to N.J.S.A. 40A:11-21.

**Failure to submit a Bid Guarantee when required shall result in rejection of the bid.**

#### **7-2. Consent Of Surety:**

Bidder shall submit with the bid a Certificate (Consent of Surety) with Power of Attorney for full amount of bid price from a Surety Company authorized to do business in the State of New Jersey and acceptable to the Township stating that it will provide said bidder with a Performance Bond in the full amount of the bid.

This certificate shall be obtained in order to confirm that the bidder to whom the contract is awarded will furnish Performance and Payment Bonds from an acceptable Surety Company on behalf of said bidder, any or all subcontractors or by each respective subcontractor or by any combination thereof which results in performance security equal to the total amount of the contract, pursuant to N.J.S.A. 40A:11-22. A Surety Disclosure Statement and Certification substantially in the form required in N.J.S.A. 2a:44-143.d. shall be included.

**Failure to submit Consent Of Surety form when required shall result in rejection of the bid.**

#### 7-3. Performance Bond

Bidder shall simultaneously with the delivery of the executed contract, submit an executed bond in the amount of one hundred percent (100%) of the acceptable bid as security for the faithful performance of this contract. The Performance Bond provided shall not be released until final acceptance of the whole work and then only if any liens or claims have been satisfied. The Surety on such bond or bonds shall be a duly authorized Surety Company authorized to do business in the State of New Jersey pursuant to N.J.S.A. 17:31-5.

**Failure to submit this with the executed contract when required shall be cause for declaring the contract null and void pursuant to N.J.S.A. 40A:11-22.**

#### 7-4. Labor And Material (Payment) Bond

When required the Bidder shall with the delivery of the Performance Bond submit an executed Payment Bond to guarantee payment to laborers and suppliers for the labor and material used in the work performed under the contract.

**Failure to submit a Labor and Material Bond with the Performance Bond when required shall be cause for declaring the contract null and void.**

#### 7-5. Maintenance Bond:

Upon acceptance of the work by the Township, the contractor shall submit a Maintenance Bond (N.J.S.A. 40A:11-16.3) in an amount not to exceed \_\_\_\_% of the project costs guaranteeing against defective quality of work or materials for the period of:

\_\_\_\_ 1 year

\_\_\_\_ 2 years

### **Article 8 - Statutory And Other Requirements**

#### 8-1. Affirmative Action Certification

If awarded your company/firm will be required to comply with the requirements of N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27-1 et seq. The Township must retain the Affirmative Action evidence in their files for review by the Division. The following information summarizes the full, required, regulatory text.

- a) For goods and service contracts including professional services contracts, each contractor shall submit to the Township, after notification of award but

prior to execution of a goods and services contract, one of the following three documents:

- i. Letter of Federal Approval indicating that the vendor is under an existing Federally approved or sanctioned affirmative action program. A copy of the approval letter is to be provided by the vendor to the Township and the Division of Purchase & Property, CCAU, EEO Monitoring Program (for this section the Division). This approval letter is valid for one year from the date of issuance); or
- ii. A Certificate of Employee Information Report (for this section "Certificate"), issued in accordance with N.J.A.C. 17:27-1.1 et seq. The vendor must provide a copy of the Certificate to the Township as evidence of its compliance with the regulations. The Certificate represents the review and approval of the vendor's Employee Information Report, Form AA-302 by the Division. The period of validity of the Certificate is indicated on its face. Certificates must be renewed prior to their expiration date in order to remain valid. or
- iii. The successful vendor shall complete an Initial Employee Report, Form AA-302 and submit it to the Division with the appropriate fee and forward a copy of the Form to the Township. Upon submission and review by the Division, this report shall constitute evidence of compliance with the regulations. The Form is provided by the Township when applicable and does not have to be completed and returned with the bid package.

b) For maintenance/construction contracts, after notification of award, but prior to signing a construction contract, the construction contractor(s) shall complete and submit:

- i. an Initial Project Workforce Report Form AA-201 provided by the Township upon notification of award. Proper completion and submission of this report shall constitute evidence of the contractor's compliance with the regulations. Failure to submit this form may result in the contract being terminated.
- ii. The contractor also agrees to submit a copy of the Monthly Project Workforce Report Form AA-202 once a month thereafter for the duration of the contract to the Division and to the Township compliance officer. The form can be accessed on the Division's web page.

The Contractor also agrees to cooperate with the Township in the payment of budgeted funds; as is necessary, for on-the-job and/or off-the-job programs for outreach and training of minorities and women.

**See Appendix; A10 Exhibit A Mandatory Language; Page A12 Notice/Evidence The Language & Evidence forms are also included in the bid submittal package**

#### 8-2. Americans With Disabilities Act Of 1990

Discrimination on the basis of disability in contracting for the purchase of goods and services is prohibited. Bidders are required to read the Americans With Disabilities language, agree to the provisions of Title II of the Act, and are hereby made a part of the contract. The contractor is obligated to comply with the Act and to hold the Township harmless.

**See Appendix Page A13**

**This form with the language content is included in the bid submittal package**

#### 8-3. Stockholder Disclosure

N.J.S.A. 52:25-24.2 provides that no corporation or partnership shall be awarded any contract for the performance of any work or the furnishing of any goods and services, unless, prior to the receipt of the bid or accompanying the bid such disclosure of said corporation or partnership is submitted. Bidders shall submit a statement setting forth the names and addresses of all stockholders in the corporation or partnership who own ten percent or more of its stock of any class, or of all individual partners in the partnership who own a ten percent or greater interest therein. The Statement of Ownership shall be completed and attached to the bid proposal. This requirement applies to all forms of corporations and partnerships, including, but not limited to, limited partnerships, limited liability corporations, limited liability partnerships and Subchapter S corporations.

**See Appendix Page A15.**

**This form is also included in the bid submittal package.**

**Failure to submit a stockholder disclosure document with the bid proposal shall result in a mandatory rejection of the entire bid.**

#### 8-4. Acknowledgement Of Changes To Bid Specifications

An Acknowledgement Of Changes To Bid Specifications Form is required for prevailing wage bids for work on real property that are in excess of the amount set forth in N.J.S.A. 40A:11-3 or as calculated by the Governor pursuant to Section 3 of P.L. 1971, c198 and is deemed mandatory pursuant to N.J.S.A. 40A:11-23(1)(a). This acknowledgement has also been deemed mandatory for all other bids pursuant to N.J.S.A. 40A:11-23.2.e.

**See Appendix Page A16**

**This form is also included in the bid submittal package.**

**Failure to submit the Acknowledgement Of Changes To Bid Specifications document with the bid proposal shall result in a mandatory rejection of the entire bid.**

#### 8-5. Non-Collusion Affidavit

A Non-Collusion Affidavit affirming that the bidder has not, directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken

any action in restraint of free, competitive bidding for this bid shall be properly executed, attested by a Notary Public and submitted with the bid proposal.

**See Appendix Page A17**

**This form is also included in the bid submittal package.**

#### 8-6. Contract Administrator and Subcontractors

Bidders shall declare which corporate officials will personally administrate this contract if awarded. The contract Administrator will be the primary contact. The Superintendent shall be next contact up the corporate ladder should problems be encountered that cannot be resolved. The bidder shall also state any subcontractors he intends to use and provide all documentation related to subcontractors stated in these specifications.

**See Appendix Page A18**

**This form is also included in the bid submittal package.**

#### 8-7. Proof Of Business Registration

P.L. 2009, c315 has repealed the requirement of N.J.S.A. 52:32-44 that required each bidder (contractor) to submit proof of business registration with the bid proposal or be rejected as a fatal flaw. Proof of registration is still required and must be in the possession of the bidder prior to the receipt of bids but may now be submitted prior to the award of the contract. Proof of registration shall be a copy of the bidder's Business Registration Certificate (BRC). The Township reserves the right to require a copy of the registration certificate with the bid proposal as proof of possession of registration at the time of the receipt of bids and to the expediency of awarding a contract. Visit the New Jersey Division of Revenue web page at [www.nj.gov/treasury/revenue/busregcert.shtml](http://www.nj.gov/treasury/revenue/busregcert.shtml) for further information on obtaining a BRC. A link to the application form at can be found at [www.nj.gov/njbgs](http://www.nj.gov/njbgs). The following BRC requirements are still applicable:

a) N.J.S.A. 52:32-44 imposes the following requirements on contractors and all subcontractors that knowingly provide goods or perform services for a contractor fulfilling this contract:

i. The contractor shall provide written notice to its subcontractors and suppliers to submit proof of business registration to the contractor;

ii. Prior to receipt of final payment from a contracting agency, a contractor must submit to the contacting agency an accurate list of all subcontractors or attest that none was used;

iii. During the term of this contract, the contractor and its affiliates shall collect and remit, and shall notify all subcontractors and their affiliates that they must collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act, (N.J.S.A. 54:32B-1 et seq.) on all sales of tangible personal property delivered into this State.

b) A contractor, subcontractor or supplier who fails to provide proof of business registration or provides false business registration information shall be liable to a penalty of \$25 for each day of violation, not to exceed \$50,000 for each business registration not properly provided or maintained under a contract with a contracting agency.

**See Appendix Page A1 Language; Page A2 Acceptable Certificate Samples  
Failure to submit a copy of the Business Registration Certificate with a date prior to the bid submittal date shall result in a mandatory rejection of the entire bid.**

*NOTE: Only when applicable are the following items, 8-8, 8-9 and 8-10 mandatory requirements of the bid proposal and contract. They will be stated in the Notice to Bidders and/or the Detailed Specifications. Review the Bidders Checklist to see a copy of the Public Works Contractor Registration Certificate is required at the time of the bid submittal.*

**8-8: New Jersey Worker And Community Right To Know Act**

The manufacturer or supplier of chemical substances or mixtures shall label them in accordance with the N.J. Worker and Community Right to Know Law (N.J.S.A. 34:51 et seq., and N.J.A.C. 5:89-5 et seq.). Containers that the law and rules require to be labeled shall show the Chemical Abstracts Service number of all the components and the chemical name. All applicable Material Safety Data Sheets (MSDS) - hazardous substance fact sheet - must be furnished at delivery.

**8-9: Prevailing Wage Act**

Pursuant to N.J.S.A. 34:11-56.25 et seq. all contractors on projects for public work shall adhere to all requirements of the New Jersey Prevailing Wage Act. The following apply to the Act and this contract when applicable:

a) The contractor shall be required to submit a certified payroll record to the Township within ten (10) days of the payment of the wages.

b) It is the contractor's responsibility to obtain and submit all subcontractors' certified payroll records within the aforementioned time period.

c) The contractor shall submit said certified payrolls in the form set forth in N.J.A.C. 12:60-6.1(c).

d) It is the contractor's responsibility to obtain any additional copies of the certified payroll form to be submitted by contacting the New Jersey Department of Labor and Workforce Development, Division of Workplace Standards.

e) The Department of Labor may from time to time during the term of the contract make changes in the Prevailing Wage Rate. The Township **will not**

amend or authorize any rate increase for that craft. The Contractor however will still be responsible to his employees for the rate increase.

For additional information go to the Department of Labor web site at [http://lwd.dol.state.nj.us/labor/wagehour/regperm/public\\_contracts\\_general.html](http://lwd.dol.state.nj.us/labor/wagehour/regperm/public_contracts_general.html)

#### 8-10. The Public Works Contractor Registration Act

N.J.S.A. 34:11-56.48 et seq. requires that a general or prime contractor and any listed subcontractors named in the contractor's bid proposal shall possess a certificate at the time the bid proposal is submitted. The Township reserves the right to require a copy of the registration certificate with the bid proposal as proof of possession of registration at the time of the receipt of bids and to the expediency of awarding a contract. N.J.S.A.34:11-56.55 specifically prohibits accepting applications for registration as a substitute. To register, bidders shall complete an application form and submit it to the Department of Labor. The form is available at [http://lwd.dol.state.nj.us/labor/forms\\_pdfs/lse/lse-2.pdf](http://lwd.dol.state.nj.us/labor/forms_pdfs/lse/lse-2.pdf) and can be submitted online. There is a fee involved and a 30 day processing time. The following additional requirements apply:

a) The following definitions under the Act apply:

i. Under the law a "contractor" is "a person, partnership, association, joint stock company, trust, corporation or other legal business entity or successor thereof who enters into a contract" which is subject to the provisions of the New Jersey Prevailing Wage Act [N.J.S.A.34:11-56.25, et seq.] It applies to contractors based in New Jersey or in another state.

ii. The law defines "public works projects" as contracts for "public work" as defined in the Prevailing Wage statute [N.J.S.A. 34:11-56.26(5)]. The term means:

1) "Construction, reconstruction, demolition, alteration, or repair work, or maintenance work, including painting and decorating, done under contract and paid for in whole or in part out of the funds of a public body, except work performed under a rehabilitation program.

2) "Public work" shall also mean construction, reconstruction, demolition, alteration, or repair work, done on any property or premises, whether or not the work is paid for from public funds..."

3) "Maintenance work" means the repair of existing facilities when the size, type or extent of such facilities is not thereby changed or increased. While "maintenance" includes painting and decorating and is covered under the law, it does not include work such as routine landscape maintenance or janitorial services.

b) After bid proposals are received and prior to award of contract, the successful contractor shall submit a copy of the contractor's certification.

along with those of all listed subcontractors. All non-listed subcontractors and lower tier sub-subcontractors shall be registered prior to starting work on the project. It is the general contractor's responsibility that all non-listed subcontractors at any tier have their certificate prior to starting work on the job.

**See Appendix Page A3.**

**Failure of the bidder, when required, to submit a copy of his Public Works Contractor Registration Certificate and those of all subcontractors, with dates valid prior to the bid submittal date, shall result in a mandatory rejection of the entire bid.**

#### **Article 9 - Insurance And Indemnification**

9-1. All insurance requirements apply to both the awarded contractor and all subcontractors. The Township of Brick must be listed on all forms as an additional insured except for Workman's Compensation Policies. All insurance forms must be submitted with the signed contracts.

9-2. All coverage shall be with AM Best's rated A or better Insurance Companies only authorized to do business in the State of New Jersey. As evidence of such authorization, the contractor shall submit with the insurance documents a copy of the Certificate of Authority for each named provider.

9-3. All insurance submitted by the awarded contractor is subject to approval by the Township and must remain in full force for the duration of the contract. The contractor shall not take any action under this contract until such approval is given by the Township.

9-4. No acceptance and/or approval of any insurance by the Township shall be construed as relieving or excusing the Contractor or the contractor's surety from any liability or obligation imposed upon either or both of them by the provisions of this contract.

9-5. All insurance policies subject to cancellation, non-renewal, or material reduction in coverage shall be endorsed to provide written notice to the Township no less than 30 days prior. The phrases "endeavor to" and "...but failure to mail such notice shall impose no obligation or liability of any kind upon the insurer, its agents or representatives" are to be eliminated from the cancellation provision of standard ACORD certificates of insurance.

9-6. The contractor must disclose any policy or coverage with deductibles of \$5,000.00 or more.

9-7. The dollar amounts listed are *minimum* limits. These limits and all insurance requirements stated in this section are subject to any additions, deletions or revisions stated in the Detailed Specifications.

a) Commercial General Liability Insurance or its equivalent for bodily injury, personal injury and property damage including loss of use with the minimum limits of:

- I. \$1,000,000 each occurrence
- II. \$ 300,000 damage to property
- III. \$1,000,000 personal and advertising injury
- IV. \$1,000,000 general aggregate
- V. \$1,000,000 products/completed operation

b) Business Auto Liability Insurance or its equivalent with a minimum limit of \$500,000 per person, per accident, property damage and includes coverage for all of the following:

- i. liability arising out of the ownership, maintenance or use of any auto
- ii Auto non-ownership and hired car coverage
- iii Uninsured/Underinsured motorist coverage at a limit no less than statutory limits

c) Excess/Umbrella Insurance or its equivalent with minimum limits of:

- i. \$1,000,000 per occurrence
- ii \$1,000,000 aggregate for other than products/completed operations and auto liability
- iii \$1,000,000 products/completed operations aggregate

d) Workers Compensation Insurance or its equivalent with statutory benefits as required by any state or Federal law:

- i. \$500,000 each accident for bodily injury by accident
- ii \$500,000 each employee for bodily injury by disease
- iii \$500,000 policy limit for bodily injury by disease

9-8. Bidder shall indemnify and hold harmless the Township, the Mayor, Council, Business Administrator, employees and professionals under contract harmless from and against all claims, suits or actions, and damages or costs of every name and description to which the Township may be subjected or put by reason of injury to the person or property of another, or the property of the Township; resulting from negligent acts or omissions on the part of the contractor, the contractor's agents, servants or subcontractors in the delivery of goods and services, or in the performance of the work under the contract.

**See Appendix Pages A4 Certificate Of Insurance, A5 Certificate Of Authority**

#### **Article 10 - Causes For Rejecting Bids**

10-1. All bids may be rejected for any of the following reasons pursuant to N.J.S.A. 40A:11-13.2;

- a) The lowest bid substantially exceeds the cost estimates for the goods or services;

- b) The lowest bid substantially exceeds the Township's appropriation for the goods or services;
- c) The Township Committee decides to abandon the project for provision or performance of the goods or services;
- d) The Township wants to substantially revise the specifications for the goods or services;
- e) The purposes or provisions or both of P.L.1971, c.198 (C.40A:11-1 et seq.) are being violated;
- f) The Township Committee decides to use the State authorized contract pursuant to section 12 of P.L.1971, c.198 (C.40A:11-12).

10-2. If more than one bid is received from an individual, firm or partnership, corporation or association under the same name.

10-3. Multiple bids from an agent representing competing bidders.

10-4. The bid is inappropriately unbalanced.

10-5. The Township had a prior negative experience with the bidder pursuant to N.J.S.A. 40A:11-4(b).

10-6. If the successful bidder fails to enter into a contract within 21 days, Sundays and holidays excepted, or as otherwise agreed upon by the parties to the contract. In this case at its option, the Township may accept the bid of the next lowest responsible bidder. (N.J.S.A. 40A:11-24b).

10-7. The Township reserves the right to reject any or all bids in whole or in part, to make awards item by item, by parts or in bulk, to waive minor defects in any non-statutory required document, to cancel the contract at any time the foregoing conditions are not complied with or for any good and sufficient reason, if deemed in the best interest of the Township to do so.

#### **Article 11 - Method Of Award And Contract**

11-1. If the award is to be made on the basis of a base bid only, it shall be made to that responsive and responsible bidder submitting the lowest base bid.

11-2. If the award is to be made on the basis of a combination of a base bid with selected options, it shall be made to that responsible bidder submitting the lowest bid in accordance with the requirements stated in the Detailed Specifications.

11-3. The Township may also elect to award the contract on the basis of unit prices in which case multiple bidders may be awarded.

11-4. All awards for time and material bids will take into consideration both the labor cost and the material cost. All bid prices will be adjusted to reflect one hour labor and a given price on parts to be adjusted according to the basis of award outlined in the Detailed Specifications.

11-5. All tie bids will be awarded at the Townships discretion as authorized and in accordance with N.J.S.A. 40A:11-6.1(d).

11-6. All contracts are conditional upon the contractors' compliance with all State, County, and Local laws, rules, regulations and ordinances. compliance with all the terms of this agreement; ability to secure and maintain all required licenses, certifications, permits and other related documents necessary to perform under this contract and the acceptance of the required insurance documents.

11-7. Pursuant to requirements of N.J.A.C. 5:30-5.1 et seq., any contract resulting from this bid shall be subject to the availability and appropriation of sufficient funds annually as well as union agreements, cooperative contract awards, changes in State laws and regulations, market conditions, the contractors performance and if deemed in the best interest of the Township.

11-8. No less than three copies of the AGREEMENT shall be submitted by the Township to the successful bidder along with a Notice of Award, Resolution of Award and any additional required documents and instructions. Terms of the specifications/bid package along with any addendums, attachments and all other documents submitted, accepted and awarded shall be annexed the signed contracts. Bidder exceptions must be formally accepted by the Township.

11-9. Failure to provide any of the required documents stated in the notice of award with the signed contracts by the time indicated or failure to maintain the required documents during the term of the contract shall constitute a breach thereof and subject to immediate forfeiture of the contract.

11-10. The duration of the contract shall be stated in the Detailed Specifications. If no dates are stated, the contract shall run the minimum time authorized by N.J.S.A. 40A:11-15 beginning on the day after formal award by the Township Committee or upon the conclusion of any current contract due to expire for the identical goods or service.

11-11. The Township reserves the right to extend contracts in accordance with N.J.S.A.40A:11-15. Types of contracts may include any of the following:

- a) a one (1) time contract to expire at the completion of the service or delivery of goods.
- b) a single multiyear contract (minimum of two (2) years or as otherwise provided for in N.J.S.A.40A:11-15) which may or may not be rebid at its conclusion.
- c) a multiyear contract with individual one year contracts to be renewed annually.

11-12. The prices and discounts awarded shall remain firm fixed for the duration of the contract except for those commodities specifically identified and authorized by the State due to a volatile price market and stated as such in the Detailed Specifications, provided that the Detailed Specifications also include a formula for the adjustments that are clearly and explicitly outlined.

11-13. On multiple year contracts the Township reserves the right to cancel the contract at the conclusion of any contract year and re-bid for such goods and services.

**See Appendix Page A6 AGREEMENT**

#### **Article 12: Placement Of Orders**

12-1. All orders will be placed by the Purchasing Department and on occasions by authorized personnel from the using department.

12-2. Absolutely no orders will be processed or given to any Township employee by the contractor without a purchase order first being issued. That confirmation will be the purchase order number being assigned to that order. It is the contractor's responsibility to contact the Purchasing Department if there is any doubt or concern the order received is authorized.

12-3. The Township will make every effort to place minimum orders as outlined in the Detailed Specifications but will not be held to any minimum purchase either by quantity or dollar amount for any single order or total contract.

12-4. At the time of the placement of the order the contractor must notify the Township if any item will be backordered and the estimated time for its delivery.

12-5. All orders must be delivered within 48 hours or as stated in the Detailed Specifications or as otherwise authorized by the Purchasing Agent. In cases where it has been determined by the Township that an order or part requires a

priority shipment and it has been authorized by the Township, the Township will be responsible for the costs associated with the V.I.P or overnight delivery.

### **Article 13 - Delivery**

13-1. All deliveries shall be **F.O.B. destination.**

13-2. All deliveries shall be made Monday through Friday excluding Township observed holidays between the hours of 9:00 a.m. and 5:00 p.m. or as otherwise directed.

13-3. All deliveries must be accompanied with a packing slip showing at minimum, the purchase order number, and for each item delivered the item description or part number and the quantity shipped.

13-4. All delivery slips must be signed by a Township employee authorized to accept shipments. A copy of the delivery slip must be retained by the Township.

13-5. All deliveries must be placed in the building or at a location to be determined at the time of the placement of the order or as required at the delivery site.

13-6. Delivery personnel should be aware that Township employees have pre-assigned duties and may not be available to assist the delivery person with the unloading of any order. Additionally there may not be any Township equipment available to assist in the unloading.

13-7. All packages, etc., when delivered must be plainly marked on the outside as to material, contents and our purchase order number. Failure to comply with this request will constitute proper reason for return of goods at bidder's expense.

13-8. Delivery of all items must be made according to the time set in the Detailed Specifications, unless a written request has been made for an extension of time to the Township, and a written permission has been granted.

13-9. If the person or firm to whom an award is made shall fail to furnish and deliver the supplies and/or equipment within the time specified, the Township may deduct and retain out of the monies due, or which may become due to such person or firm from the Township such sum as shall be sufficient to pay the difference between the prices on which the award is made and the prices which the Township may or shall be obliged to pay to procure such supplies from other parties, or as further defined in the Detail Specifications.

**Article 14 - Returns**

14-1. All costs and arrangements for making returns will be the responsibility of the contractor.

14-2. All returns must be picked up within 48 hours of notification.

14-3. Pick up slips are required for all returns and must be signed by an authorized Township employee. A copy of the signed slip must be retained by the Township.

**Article 15 - Warranty**

15-1. The contractor shall guarantee any or all goods and services supplied under these specifications. Defective or inferior goods shall be replaced at the expense of the contractor. The contractor will be responsible for return freight or restocking charges.

15-2. The successful bidder shall guarantee all materials furnished or purchased under these specifications in accordance with the manufacturers standard warranty but in no case less than ninety (90) days all parts and labor or as otherwise defined in the Detailed Specifications.

15-3. The successful bidder shall guarantee all labor and/or services provided for not less than ninety (90) days or as defined in the Detailed Specifications.

15-4. Defective or inferior items shall be replaced at the expense of the vendor. In case of rejected materials, the vendor will be responsible for return freight charges.

**Article 16 - Payment**

16-1. Payment will be made in accordance with the Township's policy and procedures; Purchase Orders must be issued, all orders, shipments and/or services must be complete, invoices and credit slips must be received and in agreement with the voucher, formal acceptance must be received by the department head of the using department prior to placement on a Bill Resolution.

16-2. Please review Article 3 Pricing Information For Preparation Of Bids for a list of charges not applicable to this bid.

16-3. Invoices and credit slips submitted must list the assigned purchase order number, the item description, quantity delivered, unit price as awarded and the extended amount. Only one Purchase Order Number per invoice, credit slip and packing slip. The Township does not process vouchers from monthly statements.

16-4. All vouchers must be placed on a Bill Resolution to be approved for payment at a formal council meeting. Only complete, properly prepared vouchers with all the above documentation can be placed on the Bill Resolution.

### **Article 17 - Termination Of Contract**

17-1. If, through any cause, the contractor shall fail to fulfill in a timely and proper manner obligations under the contract or if the contractor shall violate any of the requirements of the contract, the Township shall there upon have the right to terminate the contract by giving written notice to the contractor of such termination and specifying the effective date of termination. Such termination shall relieve the Township of any obligation for balances to the contractor of any sum or sums set forth in the contract. Township will pay only for goods and services accepted prior to termination.

17-2. All contract violations will be documented and filed. A written notification will be submitted to the contractor and the contractor will be given an opportunity to respond in writing to the allegations.

17-3. Any contractor whose contract has been terminated for failing to perform, refusal to perform or failure to perform to the satisfaction or expectations of the Township shall be barred from being awarded future Township bids under the guidelines of prior negative experience for a period of five (5) years.

17-4. Prior to any new award the contractor will be required to submit evidence that corrective measures are in place to prevent a reoccurrence of the past negative performance.

17-5. Notwithstanding the above, the contractor shall not be relieved of liability to the Township for damages sustained by the Township by virtue of any breach of the contract by the contractor and the Township may withhold any payments to the contractor for the purpose of compensation until such time as the exact amount of the damage due the Township from the contractor is determined.

17-6. The contractor agrees to indemnify and hold the Township harmless from any liability to subcontractors/suppliers concerning payment for work performed or goods supplied arising out of the lawful termination of the contract by the Township under this provision.

17-7. In case of default by the contractor, the Township may procure the goods or services from other sources and hold the contractor responsible for any excess cost.

17-8. Continuation of the terms of the contract beyond the fiscal year is contingent on availability of funds in the following year's budget. In the event of unavailability of such funds, the Township reserves the right to cancel the contract.

17-9. It is understood by all parties that if, during the life of the contract, the contractor disposes of his/her business concern by acquisition; merger, sale and or/transfer or by any means conveys his/her interest(s) to another party, all obligations are transferred to that new party. In this event, the new owner(s) will be required to submit all documentation/legal instruments that were required in the original bid/contract. Any change shall be approved by the Township.

17-10. The contractor will not assign any interest in the contract and shall not transfer any interest in the same without the prior written consent of the Township.

17-11. The Township may terminate the contract for convenience by providing sixty (60) calendar days advanced notice to the contractor. The decision to cancel does not preclude the Township from rebidding such goods and/or services.

#### **Article 18. Open Public Records Act (OPRA)**

18-1. The Township makes available for public inspection the bid of each bidder immediately following the closure of all bids taken during that session. Bidders must take the responsibility to protect themselves, their company, the owners and employees by becoming familiar with the exemptions to the Open Public Records Act listed in N.J.S.A. 47:1A-1 et seq. and properly alert the Township that such documents are enclosed in the bid package.

18-2. Bidders submitting documents that fall into any of the exceptions to O.P.R.A. shall conceal such documents in a separate envelope within his bid package and clearly mark on the outside of the envelope, the bidder name, bid number and/or title of bid, and boldly marked "**DOCUMENTS EXEMPT FROM O.P.R.A.**".

18-3. The Township shall open such envelope prior to the public inspection to ensure the documents are in fact exempt and to ensure the documents have in fact been submitted at the time of the bid when required to be submitted as stated in the bid specifications and listed on the bid checklist.

18-4. Should the Purchasing Agent or his duly recognized representative conducting the bid opening determine that a document is not exempt from O.P.R.A., that document shall immediately become available for public

inspection. Any document that is deemed questionable shall be considered exempt until such time a positive determination can be made.

## **BID SUBMITTAL PACKAGE**

### **2017 Truck Refuse Front Loader**

For your convenience, we have copied and attached hereto, the necessary documents from the complete Bidder Information and Specifications package that are required to be completed and submitted by you, the bidder. THIS PACKAGE MAY NOT CONTAIN ALL THE REQUIRED DOCUMENTS NECESSARY FOR TO IT TO BE CONSIDERED A COMPLETE AND FORMAL BID PROPOSAL.

Any additional documentation you submit with this package to make your bid a complete and formal proposal should be copied and attached to your Bidders Information and Specifications package. The information you submit in this package as your formal proposal must be reflected in your copy of the Bidders Information and Specifications package.

The complete Bidders Information and Specifications package is to be retained by you for future reference. It will also be annexed to your signed contract documents should you be awarded the bid.

Please review the entire Bidder Information and Specifications package for further information.

## **"New Jersey Business Registration Requirements"**

### **Mandatory Non-Construction Language**

The contractor shall provide written notice to its subcontractors of the responsibility to submit proof of business registration to the contractor.

Before final payment on the contract is made by the contracting agency, the contractor shall submit an accurate list and the proof of business registration of each subcontractor or supplier used in the fulfillment of the contract, or shall attest that no subcontractors were used.

For the term of the contract, the contractor and each of its affiliates and a subcontractor and each of its affiliates [N.J.S.A. 52:32-44(g)(3)] shall collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act on all sales of tangible personal property delivered into this State, regardless of whether the tangible personal property is intended for a contract with a contracting agency.

A business organization that fails to provide a copy of a business registration as required pursuant to section 1 of P.L.2001, c.134 (C.52:32-44 et al.) or subsection e. or f. of section 92 of P.L.1977, c.110 (C.5:12-92), or that provides false business registration information under the requirements of either of those sections; shall be liable for a penalty of \$25 for each day of violation, not to exceed \$50,000 for each business registration copy not properly provided under a contract with a contracting agency."

### **Mandatory Construction Language**

The contractor shall provide written notice to its subcontractors and suppliers of the responsibility to submit proof of business registration to the contractor. The requirement of proof of business registration extends down through all levels (tiers) of the project.

Before final payment on the contract is made by the contracting agency, the contractor shall submit an accurate list and the proof of business registration of each subcontractor or supplier used in the fulfillment of the contract, or shall attest that no subcontractors were used.

For the term of the contract, the contractor and each of its affiliates and a subcontractor and each of its affiliates [N.J.S.A. 52:32-44(g)(3)] shall collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act on all sales of tangible personal property delivered into this State, regardless of whether the tangible personal property is intended for a contract with a contracting agency.

A business organization that fails to provide a copy of a business registration as required pursuant to section 1 of P.L.2001, c.134 (C.52:32-44 et al.) or subsection e. or f. of section 92 of P.L.1977, c.110 (C.5:12-92), or that provides false business registration information under the requirements of either of those sections, shall be liable for a penalty of \$25 for each day of violation, not to exceed \$50,000 for each business registration copy not properly provided under a contract with a contracting agency."

Please complete all identifying information in the agreement below (leaving the dates to be determined), sign and submit as part of your bid package. If you are the successful bidder, this agreement will be countersigned by the Township representative and become the binding agreement between you and the Township.

## **AGREEMENT FOR 2017 TRUCK REFUSE FRONT LOADER**

**THIS AGREEMENT** made the      day of      in the year 2016, between the Township of Lakewood, hereinafter called the Township, and  
[Contractor Name and Address] hereinafter called the Contractor.

### **WITNESSETH**

The contract documents shall consist of the Bidder Information and Specifications Documents and attachments, hereinafter referred to as BISD, which include the Contractor's proposal as accepted by the Township Committee, all addenda, the Township Committee Resolution of Award and this Agreement form Of Contract. They are as fully a part of this Agreement as if hereto attached or herein repeated. Further, the Township and the Contractor, for the consideration hereinafter specified, agree as follows:

### **DISCRIMINATION**

It is agreed that the contractor shall comply with the Affirmative Action Regulations requirements of N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27; and the provisions of Title II of the Americans with Disabilities Act of 1990. (the "Act") (42 U.S.C. 12101 et seq.) as amended and supplemented from time to time.

### **SCOPE OF WORK**

The Contractor covenants and agrees to provide all material and/or all services awarded to him in compliance with the BISD.

### **TERM OF CONTRACT**

The term of this contract shall be      beginning on the date of award that day being      and conclude on

### **PAYMENT**

The Township agrees to pay the contractor for said materials or services when delivered or performed, in accordance with the said BISD. Payments to be made in accordance with the Townships usual requirements for submission of invoices and vouchers and approval by authorized official(s). It is further agreed that the Township reserves the right to reduce or increase any or all of the quantities in each item at the unit price bid. Acceptance of the final payment by the contractor shall be understood to be a release in full of all claims against the Township arising out of the materials and/or services furnished under this contract.

**LIQUIDATED DAMAGES**

The contractor shall be liable to the Township for all expenses, losses, damages, as determined by the Business Administrator, incurred in consequence of any defect; omission or mistake of the contractor, his subcontractors, agents or employees, or for the making good thereof.

If the contractor is permitted to finish the work after the specified period of completion, the Township shall have full authority to and may deduct and retain from any payments due the contractor an amount to be determined by the Business Administrator and approved by the governing body of the Township for each calendar day thereafter that the contract remains uncompleted, all as liquidated damages, and not as a penalty, to defray reasonable loss to the Township due to failure to complete the work in the stipulated time.

**THIS CONTRACT** shall be binding upon the Township, its successors and assigns, and upon the Contractor, its successors and assigns, heirs, executors or administrators.

**IN WITNESS WHEREOF**, the Township has caused this instrument to be signed by Menashe Miller, Mayor.

**ATTESTED BY** Kathryn Cirulli, Township Clerk and the Township of Lakewood seal to be hereunto affixed, and the contractor hereunto set their hands and seals, or caused these presents to be signed by their proper corporate officers and their proper corporate seal to be hereunto affixed, the day and year first above mentioned.

EXHIBIT A  
**MANDATORY EQUAL EMPLOYMENT OPPORTUNITY LANGUAGE**  
**N.J.S.A. 10:5-31 et seq. (P.L. 1975, C. 127) And N.J.A.C. 17:27**  
**GOODS, PROFESSIONAL SERVICE AND GENERAL SERVICE CONTRACTS**

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union of the contractor's commitments under this chapter and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to make good faith efforts to meet targeted county employment goals established in accordance with N.J.A.C. 17:27-5.2.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, and labor unions, that it does not discriminate on the basis of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the targeted employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor shall submit to the public agency, after notification of award but prior to execution of a goods and services contract, one of the following three documents:

- Letter of Federal Affirmative Action Plan Approval
- Certificate of Employee Information Report
- Employee Information Report Form AA302 (electronically provided by the Division and distributed to the public agency through the Division's website at [www.state.nj.us/treasury/contract\\_compliance](http://www.state.nj.us/treasury/contract_compliance)).

The contractor and its subcontractors shall furnish such reports or other documents to the Division of Purchase & Property, CCAU, EEO Monitoring Program as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Division of Purchase & Property, CCAU, EEO Monitoring Program for conducting a compliance investigation pursuant to **Subchapter 10 of the Administrative Code at N.J.A.C. 17:27.**

**AFFIRMATIVE ACTION COMPLIANCE NOTICE**  
**N.J.S.A. 10:5-31 and N.J.A.C. 17:27**

**GOODS, PROFESSIONAL SERVICE AND GENERAL SERVICE CONTRACTS**

This form is a summary of the successful bidder's requirement to comply with the requirements of N.J.S.A. 10:5-31 and N.J.A.C. 17:27.

The successful bidder shall submit to the public agency and the State of New Jersey, Division of Purchase Property Contract Compliance Audit Unit EEO Monitoring Program (hereinafter the "Division"), after notification of award but prior to execution of a goods and services contract, one of the following three documents as forms of evidence:

(a) A photocopy of a valid letter that the contractor is operating under an existing Federally approved or sanctioned affirmative action program (This approval letter is valid for one year from the date of issuance);

OR

(b) A photocopy of a Certificate of Employee Information Report approval, issued in accordance with N.J.A.C. 17:27-1.1 et seq.;

OR

(c) A photocopy of a completed initial Employee Information Report, Form AA-302 as submitted to the Division with the assigned fee.

The successful vendor may obtain the Affirmative Action Employee Information Report (AA302) from the contracting unit during normal business hours. It is not required to be submitted with the bid documents at the time of the bid opening.

The successful vendor(s) must submit the copies of the AA302 Report to the Division. The Public Agency copy is submitted to the public agency, and the Contractor copy is retained by the vendor.

The undersigned vendor certifies that he/she is aware of the commitment to comply with the requirements of N.J.S.A. 10:5-31 and N.J.A.C. 17:27 and agrees to furnish the required forms of evidence.

The undersigned vendor further understands that his/her bid shall be rejected as non-responsive if said contractor fails to comply with the requirements of N.J.S.A. 10:5-31 and N.J.A.C. 17:27.

**AMERICANS WITH DISABILITIES ACT OF 1990**  
**Equal Opportunity for Individuals with Disability**

The contractor and the Township of Lakewood (hereafter the "Township") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act"). (42U.S.C. §121 01 et seq.) which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the Township pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the Township in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the Township, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the Township's grievance procedure, the contractor agrees to abide by any decision of the Township which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the Township, or if the Township incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The Township shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the Township or any of its agents, servants, and employees, the Township shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the Township or its representatives.

It is expressly agreed and understood that any approval by the Township of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the Township pursuant to this paragraph.

It is further agreed and understood that the Township assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the Township from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

## 2016 Front Loader Bid Specifications

### Intent

The intent of these specifications is to cover minimum requirements for a 40 yd. Front Load Refuse Packer body. Failure to complete this information is grounds for rejection of the bid. Bidders are requested to state wherein your equipment meets, or fails to meet the specifications by placing a "Yes" or "No" in the provided space. Any exceptions must be noted and explained on Page A9 and attached to the original specifications. Failure to properly address all line items may be cause for rejection of bid. The body shall be supplied by a factory authorized New Jersey-registered body dealer and the unit shall be manufactured and assembled in the United States of America. All bidders taking any exception to the following specifications must provide a working demonstrator to the Township of Lakewood for a minimum of 10 working days at no cost to the township. All deviations from the following specifications must be completely explained to the satisfaction of the Township of Lakewood.

The equipment supplied shall be NEW and UNUSED and shall be the manufacturer's most current production model, including accessories and normally standard features not specifically mentioned but normally supplied and/or necessary to furnish a unit complete and ready for operation. The equipment supplied shall fully conform to ANSI safety standard Z245-2007.

**Any mention of a specific brand name for the body and the cab and chassis is only to establish the minimum requirements for this bid and shall be understood to mean "or equivalent". Substitutions of equivalent or greater quality may be made and so noted in writing on the Exception sheet. The burden of proof as to the quality of any substitution shall be the bidder's responsibility.**

**Yes or No**

### A. Body

1. Body is to be manufactured in the United State of America \_\_\_\_\_
2. Total Capacity (Including 12 CU YD hopper): 40 CU YDS \_\_\_\_\_
3. Body floor shall be 3/16" AR-400. Floor cross members are formed from 6"x3"x3/16" on 14" High Tensile plate interlaced in trapezoid formed channel long members also out of 3/16" Hi-Ten plate which centers on the hopper with 24" body centers. \_\_\_\_\_
4. Floor is tapered 4 1/2" front to back for easy unloading. \_\_\_\_\_
5. Floor long members are formed from 8"x3"x3/16" high tensile plate. \_\_\_\_\_
6. Body sides shall be 3/16" AR-235, heat treated to pass a Brinell hardness test of 235 minimum, and rolled into a broad radius for with an 8" lip formed in the top to make up outside of roof. \_\_\_\_\_
7. Body roof shall be 3/16" hi tensile steel plate rolled into a broad radius for added strength. \_\_\_\_\_
8. Body roof cross members are formed from 6"x4"x3/16" \_\_\_\_\_
9. Body canopy is formed from 14GA steel and extends to the windshield. \_\_\_\_\_

- 10. Front of canopy has formed trough to guide liquids away from windshield. \_\_\_\_\_
- 11. Body posts are formed from 6"x4"x3/16" high tensile plate. \_\_\_\_\_
- 12. Tailgate shall be one (1) piece, bubble style, top hinged. Tailgate shall be 3/16" AR 235 plate inside a formed channel frame. It shall be secured to the body using two (2) sets of hinges with 1 1/2" hinge pins at the roofline. \_\_\_\_\_
- 13. The door must be secured in the closed position by means of a self locking tailgate feature. A heavy-duty rubber seal shall be installed along the bottom and up the side to prevent leakage. \_\_\_\_\_
- 14. Tailgate to be hydraulic operated bustle type formed with 3/16" AR235 and framed with 3x2x1/4" tubing rolled upright posts. Tailgate is to be self-locking. \_\_\_\_\_
- 15. Tailgate locking mechanism must be fully automatic. For operator safety, at no time shall it be necessary for the operator to leave the cab to unlock or lock tailgate for dumping. \_\_\_\_\_
- 16. A double lip 90 durometer molded rubber seal shall be installed along the bottom and partially up the side to prevent leakage. Seal must be fastened with 1/4" bolts and nuts. Sheet metal screws will not be accepted. \_\_\_\_\_
- 17. Tailgate cylinders will be two (2) roof mounted 5" x 20" cylinders used to unlock and raise tailgate via a complex hinge. Roof mounted cylinders allow for a wider body with more taper for more capacity and easier unloading. \_\_\_\_\_
- 18. Body to incorporate service hoist capable of lifting body to perform service and routine maintenance. \_\_\_\_\_
- 19. Optional service hoist raises the front of the full eject body 24" using (2) 3 1/2" bore x 2" rod single acting hydraulic cylinders mounted outside the chassis frame. Body stands are installed for protection. Hoist is activated by an electric toggle switch located in the cab. \_\_\_\_\_
- 20. Body height with arms up will not exceed 120" \_\_\_\_\_
- 21. Body height with arms down will not exceed 112" \_\_\_\_\_
- 22. Body width outside will not exceed 101" \_\_\_\_\_
- 23. Body width inside will not exceed 97" \_\_\_\_\_
- 24. Upper hopper side width will not exceed 82" \_\_\_\_\_
- 25. Upper hopper length will not exceed 90" \_\_\_\_\_

**B. Hopper**

1. 12 CU YD hopper capacity. \_\_\_\_\_
2. Lower hopper sides shall be formed from a minimum of 3/16" AR-500 plate 60"x120" rolled into a broad radius for added strength and material flow. Sides are to cover pack stroke. \_\_\_\_\_
3. Hopper is to be abrasion resistant, quenched and tempered to pass a Brinell hardness test rating of 500 or higher. This steel shall extend up 72" from the floor and extend the full length of the hopper. \_\_\_\_\_
4. Upper hopper sides shall be formed from 3/16" hi tensile steel plate to extend 12" above roof line to help prevent spillage. \_\_\_\_\_
5. Hopper floor: Formed channel cross members interlaced in trapezoid shaped formed channel long members both out of 3/16" High Tensile plate covered with a minimum 1/4" AR-500 hopper floor material covering the entire hopper area and extending 24" into the body. \_\_\_\_\_
6. Hopper/Body connector beam shall be 3 1/2 " x 6" x 3/16" A36 formed channel. \_\_\_\_\_
7. Hopper front shall be completely enclosed with expanded metal window for viewing behind the packer. \_\_\_\_\_
8. Hopper access door shall be hinged and cover a 24" x 36" opening on the driver's side front of hopper side. Door has pneumatic interlock to shut down system when open. \_\_\_\_\_
9. The sliding hopper cover shall be constructed of 12 GA hi tensile sheet metal with 2" square tube frame. The cover shall open automatically when raising arms, but must be shut with cab control air toggle valve. \_\_\_\_\_
10. Hopper cover skids are 1" black UHMW strips bolted to tubing frame. \_\_\_\_\_
11. A pressure limiter on the extended stroke of the cylinder is used to protect the cylinder and the door. \_\_\_\_\_
12. Ejection of load is to be accomplished by full eject. At no time shall it be necessary to raise the body to dump the compacted load. \_\_\_\_\_
13. Ejector blade shall travel horizontally towards rear of body to fully eject load using 2 Hydraulically actuated cylinders with 5.5" bore x 182" stroke. \_\_\_\_\_

**C. Packing Mechanism**

1. The full packing cycle shall not exceed 30 seconds. \_\_\_\_\_
2. Packer shall be constructed of a structural tubing frame with 1/4" minimum 400 Brinell plate welded solid to the face. \_\_\_\_\_

- 3. Lower packer plate is 1/4" AR-400 plate. \_\_\_\_\_
- 4. Upper packer plate is 3/16" AR400 plate. \_\_\_\_\_
- 5. Bottom wear plates shall be 3/8" x 3" x 42" AR-400 plate. \_\_\_\_\_
- 6. Top wear plate will be 1/4" x 2" x 2 x 42" AR-400 plate. \_\_\_\_\_
- 7. Side wear plates will be adjustable 1 1/4" x 3" x 42" black UHMW \_\_\_\_\_
- 8. Packer skid channels shall be formed from 3/8" T-1 plate, ASTM A-514, grade B. Ship channel packer skids are not acceptable. \_\_\_\_\_
- 9. Packer cylinders are mounted horizontal and lay across the width of the hopper. The 3 stage packer cylinders have a removable lug on the rod end to facilitate re-sealing without removing the cylinder from the body. \_\_\_\_\_
- 10. Cylinder pin bosses are located in front of the lower face plate so pack cylinders can be removed out of the back of the body and accommodate a longer stroke cylinder. \_\_\_\_\_
- 11. Two (2) 5 1/2" bore x 182" stroke x 4" 3-stage packer cylinders are mounted horizontal and lay across the width of the hopper in a standard scissor arrangement. \_\_\_\_\_
- 12. Packer track channels shall be formed from 3/8" T-1 plate, ASTM A-514, grade B. Track bottom, sides and top shall be lined with AR-500 Brinell wear strips. \_\_\_\_\_

**D. Loading Mechanism**

- 1. Loading arms shall have a minimum lift capacity of **10,000 LBS**. \_\_\_\_\_
- 2. Loading arms shall be constructed from flame cut pieces welded into a box frame design 3 1/2" thick and 10" wide. \_\_\_\_\_
- 3. Arms shall be rated at 10,000 lb. capacity and come to a progressively slow stop before coming into contact with the rubber arm stops by using an adjustable deceleration valve. Internal cushioning of arm cylinders is not acceptable. \_\_\_\_\_
- 4. Arms are box steel constructed 10" x 3 1/2" using 1/4" plate and 1/2" x 3" formed flat bar. A formed piece of 3" x 3" x 1/4" structural tubing is welded inside each arm for added support. \_\_\_\_\_
- 5. The arm pivot shaft shall be constructed of 4 1/2" OD x 1/2" wall D.O.M. round tubing. \_\_\_\_\_
- 6. Two (2) Pivot bushings a minimum of 12" long to prevent wear of the bushings or pivot shaft. Arms to be clamped to pivot shaft not bolted or welded \_\_\_\_\_

7. The forks shall be constructed of 1 1/2" T-1 plate, 53" long and tapered at the end. \_\_\_\_\_

**Yes or No**

8. The tips of the forks at the dump position are not to exceed 13' 6" from the ground. \_\_\_\_\_

9. Fork bushings shall be brass split type, bolted to arms with 4 each 3/4", grade 8, bolts on each side. \_\_\_\_\_

10. Fork shaft shall be 4 1/2" OD x 1/2" wall D.O.M. grade steel tubing. \_\_\_\_\_

11. Arm cylinder shall be two (2) 4 1/2" bore x 42" stroke x 2 1/2" \_\_\_\_\_

12. Fork cylinder shall be two (2) 3 1/2" bore x 24" stroke \_\_\_\_\_

13. Arm and Fork cylinders shall have spherical bearing rod ends. \_\_\_\_\_

### **E. Controls**

1. Arm/Fork controls shall consist of a 4-way metering air joystick controller mounted separately from the other controls. \_\_\_\_\_

2. The Arm/Fork joystick controller shall be mounted with an arm rest pad within a comfortable reach of the driver. \_\_\_\_\_

3. The Controller shall communicate with the hydraulic valve air shifters in a metering function providing more control of the loading process. \_\_\_\_\_

4. The fork dump control shall be locked unless the packer is fully retracted and hopper cover is fully open to prevent dumping behind the packer and hopper cover. \_\_\_\_\_

5. System reset will be a pneumatic button valve that will only stay engaged if the key is on and pops out when the key is turned off. Button valve supplies air to entire system. \_\_\_\_\_

An air filtration system will be provided. Cab mounted water separator/debris filter that supplies system reset. \_\_\_\_\_

Loading controller will be Flodraulic brand metering pneumatic joystick. \_\_\_\_\_

Packer cycle control will be all pneumatic operated automatic single stroke cycle with engine rev up when transmission is in neutral. Pneumatic button valves and start stop and retract packer. Packer can also run manually via an air toggle valve to provide a back-up and to run packer out past the limit valve adjustment to take advantage of the long packer cylinder stroke. \_\_\_\_\_

Controls for the hoist and tailgate are operated by air toggle switches that are fed by a safety air push button to prevent accidental operation. Hopper cover is also run by an air toggle valve and opens automatically when raising the loader arms. \_\_\_\_\_

Indicator lights and alarms will be provided for hoist up, pump on and tailgate open lights which will be mounted on the console. Tailgate open switch will be wired to an audible alarm. \_\_\_\_\_

Controls shall be mounted in a compact sheet metal enclosure. The packer, hoist, hopper cover and rear door operation to be provided with a 4-way, three (3) position air toggle valve. The tailgate shall not operate without also depressing a safety valve. All controls are to be clearly labeled with hard plastic signs. \_\_\_\_\_

**F. Hydraulics**

1. Pump: Front mounted piston pump only. The small section of the tandem pump runs constantly at low volume. The large section and engine governor come on automatically when shifting to neutral, providing the pump switch is on. \_\_\_\_\_
2. The Variable Displacement System generates pressure and flow only when called upon. When system is not being used, the pump is automatically shifted into a low pressure standby mode generating only ¼ GPM @ 250 PSI. When switches or joystick is used, the pump generates only the amount of flow and pressure called upon. A compensator is used to limit the pump to a maximum flow of 30 GPM no matter the RPM. The compensator is also used to limit the maximum pressure output to 2250 PSI without the use of heat generating and fuel consuming relief valves. \_\_\_\_\_
3. Hydraulic filtration –70 gpm 10 micron with fiberglass media. Filter is welded to top of reservoir to eliminate need for a gasket. A 100 mesh 100 gpm suction strainer is mounted in the reservoir. \_\_\_\_\_
4. The directional control valve shall have with metering air shifters. Non-metering air shifters are not acceptable. \_\_\_\_\_
5. The return line filter shall be an in-tank, fiberglass type rated at 10 micron with clearly visible dirt indicator. The suction strainer shall be a 100 micron, mounted inside the reservoir and equipped with a built in bypass for pump protection. \_\_\_\_\_
6. There shall be a 53 gallon reservoir with a 10 micron sealed air breather, sight gauge, a 2" gate valve on the suction outlet and a magnetic drain plug. \_\_\_\_\_
7. All plumbing shall consist of SAE 100 R2 hoses with "bite wire" type crimping on fittings and nylon guarded in tight areas. Seamless steel tubing shall be used wherever possible and held in place with shock absorbing bolt-on clamps. All hose ends, tubing and adapters shall have JIC 37 degree flares. Pipe thread or flat-faced o-ring seals are not acceptable. \_\_\_\_\_
8. Cylinders:     Packer                             (2) each 5.5" bore x 182" stroke 3 stage     \_\_\_\_\_
  - i. Arm   (2) each 5" bore x 36" stroke                     \_\_\_\_\_
  - ii. Fork   (2) each 3.5" bore x 16" stroke                    \_\_\_\_\_

iii. Tailgate (2) each 3" bore x 42" stroke \_\_\_\_\_

**Yes or No**

iv. Hopper Cover (1) each 2.5" bore x 80" stroke \_\_\_\_\_

v. Eject (2) each 5.5" bore x 182" stroke \_\_\_\_\_

9. Arm and fork cylinders shall have spherical bearing rod ends to relieve side load. \_\_\_\_\_

10. All cylinders shall have straight thread o-ring boss porting. Pin material shall be stress proof C1144 or equivalent. \_\_\_\_\_

11. Tailgate cylinders shall have built in safety valves. \_\_\_\_\_

### G. Lighting

1. All lighting shall meet or exceed DOT and Federal Safety Standards. \_\_\_\_\_

2. Clearance, back-up and directional lighting shall be Lexan Lens, anti-shock mounted in a protective housing, and shall be pop-out and replaceable. \_\_\_\_\_

3. Lights shall be installed in the cab for "Hoist Up", "Pump On", "Tailgate Open", and "Hopper Cover Closed." \_\_\_\_\_

Lower tailgate will have grommet mounted 4 ½" round LED lights which consists of red stop, tail and turn, white back up and amber strobe. \_\_\_\_\_

Upper tailgate will have grommet mounted 4 ½" red stop, tail and turn, amber strobe, three (3) each of a 6" oblong red LED stop and tail lights in the center and 2 ½" upper rear clearance markers. \_\_\_\_\_

Clearance lights will be 6" oblong red LED lights for rear clearance and turn signals. \_\_\_\_\_

### H. Paint

The completed unit shall be cleaned and all weld slag shall be removed. The unit shall be acid washed and dried before primer is applied. \_\_\_\_\_

2 coats of PPG direct to metal urethane primer shall be used. The entire body shall be sanded down to ensure a smooth top coat. \_\_\_\_\_

PPG single stage urethane top coat shall be applied, and the body shall be baked dry. \_\_\_\_\_

2 year warranty on body paint (Factory Warranty Certificate Must Be Included With Bid) \_\_\_\_\_

### I. Miscellaneous

1. Automatic Packer: The "start" button sends the packer out and back at 1500 rpm. The red "stop" button stops and retracts the packer. Neutral safety disallows the throttle to accelerate if the \_\_\_\_\_

transmission is in gear. Hopper access door lockout shall be installed as part of this option. \_\_\_\_\_

**Yes or No**

- 2. An access ladder shall be provided on the right hand side of body, OSHA approved with 12" wire and 7" deep rungs. \_\_\_\_\_
- 3. A red pilot light shall be installed to indicate "pump on", "hoist up", and "tailgate open". An audible buzzer will sound when tailgate is open and/or hoist is raised. \_\_\_\_\_
- 4. 96 Gallon trough built into the floor forward of the packer with 8" x 26" water-tight access doors on each side. \_\_\_\_\_

**J. Warranty and Service**

- 1. Body shall be covered under a factory authorized warranty for a minimum of 2 years. The factory Authorized warranty is to include 1 year 100% coverage of parts and labor. After the initial 1 year the Warranty shall continue to cover ALL parts for an additional 1 year. Enclose warranty certificate with bid proposal. \_\_\_\_\_
- 2. ALL Hydraulic Cylinders shall be covered for a minimum of 2 YEARS. Enclose factory warranty certificate with bid proposal. \_\_\_\_\_
- 3. Body paint shall be covered under factory authorized warranty for a minimum of 2 years. Enclose warranty certificate with bid proposal. \_\_\_\_\_
- 4. Body supplier shall provide pickup and delivery service for any and all body service work for a minimum of 2 years from the in service date. Body supplier must include certificate signed by an officer (president or vice president) of the company stating that the body supplier will provide this service for a minimum of 2 years at no cost to the Township of Lakewood. \_\_\_\_\_
- 5. Body is to be delivered with a complete set of operator and parts manuals on CD and paper hard copy. \_\_\_\_\_
- 6. Bid must have body factory engineers drawing of proposed unit mounted on proposed chassis showing all measurements. \_\_\_\_\_
- 7. If any exceptions are noted, bidder must provide a working demonstrator of the unit proposed for a minimum of 10 working days to the Township of Lakewood. \_\_\_\_\_

**K. Body Factory Information:** Factory to be located in the United States of America

Name & Address: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**L. Body Vendor Information:**

Name & Address: \_\_\_\_\_  
\_\_\_\_\_

M. **Body Supplier & Service Facility:**  
Name & Address: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

N. **Service Facility is within 50 Miles of Lakewood's Public Works.**

O. **Time of delivery shall be 180 days.**

P. **One year manufacturer towing if chassis cannot be driven for repair and warranty at no charge.**

Q. **The manufacturer, make and exact models bid shall be submitted with all proposals.**

**NOTE: A letter from the body factory, on factory letterhead, designating the above facility as a fully authorized dealer and service facility and all warranty certificates must be enclosed with the bid.**

R. **Body Technical Specifications:** Please complete the information below. Failure to do so may result in rejection of bid proposal.

1. Body Capacity: \_\_\_\_\_
2. Hopper Capacity: \_\_\_\_\_
3. Body Weight: \_\_\_\_\_
4. Overall Length: \_\_\_\_\_
5. Body Height Above Chassis: \_\_\_\_\_
6. Body Width: \_\_\_\_\_
7. Body Dump Angle: \_\_\_\_\_
8. Automatic Tailgate Lock Mechanism: \_\_\_\_\_
9. Packer Cycle Time (Time @ RPM): \_\_\_\_\_
10. Arm Cycle Time (Time @ RPM): \_\_\_\_\_
11. Depth of Packer Blade: \_\_\_\_\_
12. Service Hoist: \_\_\_\_\_

## MODEL YEAR 2017 CAB & CHASSIS MACK MRU613 SPECIFICATIONS

### COMPLIANCE

#### ORDER/CUSTOMER/VEHICLE INFORMATION:

					YES	NO
1.01	Initial Registration Location: New Jersey					
1.02	Type Of Service: Municipal					
1.03	Vehicle Application Class: Vocational Class "C" -Unlimited Operation On Concrete, Asphalt, Or Maintained Gravel/Packed Dirt With A Maximum 3% Grade; Limited Operation On Unmaintained Surfaces With Maximum 5% Grade; Limited Operation On Concrete, Asphalt, Or Maintained Gravel/Packed Dirt With Maximum 10% Grade.					
1.04	Vehicle Type: Straight Truck Without Trailer					
1.05	Vehicle Use & Body/Trailer Type: .On/Off Hwy					

#### 2. BVS/FRT AXLE POS/WHEELBASE/PLATFORM

2.01	Chassis (Base Model): MRU613 6-WHEEL Truck					
2.02	Frame Rails: 13.25" x 3.25" x .3125" Section Modulus 26.06 Cu In/Rbm 3,127,200 In Lbs Per Rail. Min. or exceed only.					
2.03	Wheelbase: To accommodate body company requirements					
2.04	Frame Reinforcement: 1/4" Inside Channel					
2.05	.Tectyl rust preventative sprayed between frame rails					

#### 3. ENGINE/TRANSMISSION/CLUTCH:

3.01	Engine: Mack MP-7 345 @1500-1900 Rpm 1280 Lb. Ft.; Max. Torque @ 1100-1300 Rpm. Level II extended warranty 5 Years 200,000 miles					
3.02	Transmission: Allison RDS 4500RS 5 SPEED WITH EXTENDED ALLISON WARRANTY TO 5YRS 100% PARTS AND LABOR FOR RUGGED SERVICE					

#### 4. ENGINE EQUIPMENT:

4.01	Air Compressor: Meritor/Wabco 636 (37.4 CFM)					
4.02	Diesel Particulate filter vertical LH side back of cab w/ SCR vertical RH side BOC. Exhaust after-treatment system: passive regeneration diesel particulate filter, ceramic					
4.03	Alternator: Delco 12V 145 Amp					
4.04	Batteries: (3) Mack 12V M/F Group 31 1000/3000 CCA Threaded Stud Type .					
4.05	Coolant Conditioner					
4.06	Engine Block Heater: Gomack (Phillips) -1500 Watt 120 Volt & Oil Pan Heater					
4.07	Exhaust: DPF Outboard, single right side vertical straight exhaust stack plain end, side outlet diffuser with DPF regeneration control auto in motion, manual stationary manual inhibit & auto stationary w/ pto engaged. MUST MEET EXHAUST EMISSIONS FOR 2010. DPF smart switch, locking inhibit DPF regeneration switch.					
4.08	SILICONE HEATER & RADIATOR HOSES					
4.09	ENGINE BRAKE: MACK POWERLEASH					
4.10	FUEL-WATER Separator: Mack With Manual Drain Valve (Integral With Primary Fuel Filter)					
4.11	Radiator: ALUMINIM CORE					

#### 5. TRANSMISSION EQUIPMENT/DRIVELINES:

5.01	Transmission Mounts: Oil Resistant					
5.03	Trans Oil Cooler					
5.04	Synthetic Lubricant -Transmission: Transynd Synthetic Lube For Allison Trans					
5.05	Vocational Package -Allison: Utility, Pickup, And Delivery					

5.06	Driveline- Main: Meritor 176N With Coated Splines, Inter-axle 17N HD		
5.07	ALLISON VOCATIONAL PKG, Shift to neutral when parking brake engaged.		

#### 6. CAB (A thru G)

6.01	Mack (Bergstrom) Integral With Heater Combination Heater/Defroster and Air Conditioner w/ R134a refrigerant		
6.02	Cab, CA531 Low Profile Cab Over Engine (Welded Steel Galvanized Shell) Includes Mack Rust Preventative Procedures. Cab Mounting: Four Point Fixed Type (NO EXCEPTIONS) w/ cab access steps and cab protector		
6.03	Fender Extensions: Fender Extensions are included		
6.04	5 LB Fire Extinguisher Between LH Seat Base And Door With Valve Aimed Rearward		
6.05	Gauge: Transmission Oil Level Sensor.		
6.06	Gear Shift: Neutral to Range Inhibit.		
6.07	Cab Protector		

#### 7. CAB (H thru R)

7.01	Headlamp: Bezel - Molded Plastic (Bright Finish).		
7.02	Horn: Electric, Single Tone, Two air horns		
7.03	Identification/Clearance Lights: (Set Of 5) LED Bullet Type Chrome Marker And Clearance		
7.04	Instrument Panel: Finish and Driver & Passenger Side Cup Holders (HVAC Mtd).		
7.05	Interior Trim (Custom) Features: - Padded Vinyl Headliner With Integral Overhead Header Console With Storage - Rear Panel With Storage Pouch - Black Rubber Floor Mats With Closed Cell Nitrile Backing - Dash Panel And Firewall Covering - Cup Holder - Charcoal Gauge Panel With Black Bezels - Door Insert Panel - LH And RH Sun Visor - Grey Driver's Seat Vinyl Riders Seat - Fixed Steering Column - Peep Window.		
7.06	Anti-Scuff cab entry		
7.07	Proximity/ Visibility mirror (convex) mounted above RH door		
7.08	Mirrors -Exterior: West Coast, RH & LH Bright Finish Heated And Motorized		
7.09	Mirrors -Convex Type: Bright Finish, LH & RH 8.9" Dia; Mounted Below Lower Arm Of West Coast Mirror.		
7.10	Twin under cab trumpet air horn		
7.11	Radio: Panasonic CQ-5300 "SEVERE DUTY" AM-FM CD WITH WEATHER BAND		
7.12	Radio Shutoff: Auto Shutoff For Radio Entertainment System (When In Reverse).		

#### 8. CAB (S thru Z)

8.01	Seat- Driver: Bostrom Talladega 905 (mid-back) Air Suspension		
8.02	Seat- Rider: Mack Rider Std		
8.03	Seat Arm Rests:		
8.04	Seat Covering: Vinyl		
8.05	Tinted Glass		
8.06	Seat Belts/Retractors: Lap And Shoulder With Cab Mounted Shoulder Belt With Adjustable D-RING For Driver & Rider Seats.		
8.07	Roll-up LH & RH Door Windows		
8.08	Storage Accessories: Forward overhead Storage		
8.09	Radio shut-off: automatic when vehicle is engaged in reverse		

8.10	Sun Visor -Interior: Both Sides (Padded Vinyl)		
8.11	Turn Signal Switch: Grote Turn Signal Switch		

### 9. FRAME EQUIPMENT/FUEL TANKS

9.01	Bumper- Front: Swept Back Steel Channel Painted Steel Extended w/ Center Tow Pin (92.62"x 11.25")		
9.02	Cross members , Back Of Cab Steel HEAVY DUTY.1/2" plate bolted & intermediate		
9.03	Skid plate under bumper and radiator. Front Frame extension		
9.04	Fuel Tank 70 Gallon Steel. 26x24 rectangular W DEF TANK		

### 10. FRONT AXLE/EQUIPMENT/TIRES

10.01	Front Axle: 20000# (9100kg) Mack FXL20 20,000lb Wide pivot center		
10.02	Tires Brand/Type -Front: Bridgestone 315/80r22.5 M860 20 ply (All Position) (Chassis Width Exceeds 96").( no exceptions )		
10.03	Wheels- Front: Steel Disc (10-HOLE), (2) 22.5x9.0 5 Hub Piloted) must certify for front axle rating ( no exceptions )		
10.04	Hubs- Front: Ferrous.		
10.05	Brakes- Front: BENDIX ES165-O6D 16.5"x6"w/ Bendix ES-1100/600 lining		
10.06	Brake Drums -Front: CAST Outboard Mounted.		
10.07	Slack Adjusters -Front: Meritor - Automatic.		
10.08	Springs -Front Multi-leaf 20000# (9072kg) Ground Load Rating.		
10.09	Steering: XD120 Sheppard Integral Power		

### 11. REAR AXLE/EQUIPMENT/TIRES/RATIOS

11.01	Rear Axle/Suspension: 46000# (20866kg) S462, DUAL REDUCTION WITH INDUSTRY STANDARD R SERIES SPINDLE AND WHL END EQUIPMENT NO EXCEPTION! .FABRICATED STEEL HOUSING (dual reduction gear carriers are available to all class 8 truck manufactures.) w/ Power Divider Lock-Out		
11.02	Tires Brand/Type -Rear: Bridgestone -Tubeless Radial Ply, (8) 11R22.5 16H M843 Traction tread.		
11.03	Carrier/Ratio- Rear Axle: Mack CRDP150/151, 5.04 Rear Ratio.		
11.04	Wheels- Rear: Steel Disc (10 Hole), (8) 22.5x8.25 10-HOLE Hub Piloted		
11.05	Hubs -Rear: Ferrous		
11.06	Brakes- Rear: BENDIX ES165-07D 16.5"x7" CAST SPIDER		
11.07	Brake Drums -Rear: Cast Outboard Mounted		
11.08	BRAKE LINING, BENDIX ES1100/800		
11.09	Raised Rear Brake Chambers (Rear Rear Axle Only)		
11.10	Heavy duty shock insulators		
11.11	Slack Adjusters -Rear: Meritor -Automatic		
11.12	Suspension -Axle Spacing: 50"		
11.13	Springs: ANTI-SWAY.		
11.14	Spring Brake Chambers: TWO DOUBLE DIAPHRAM TWO 30/30 TYPE.		
11.15	Wheel lug wrench furnished		
11.16			

### 12. AIR/BRAKE

12.01	Air Control Valves -Vendor: Meritor/Wabco Switches And Valves Where Possible.		
12.02	Air Dryer: Meritor Wabco Heated 1800 air dryer.		
12.03	ANTI-LOCK Brake System: Bendix Without Traction Control		
12.04	Automatic Drain Valve: Bendix (Heated) (1) On Supply (Wet) Tank		
12.05	Manual Drain Valve Lanyard: Lanyard Control on all Tanks with Manual Drain Valves.		

### 13. ELECTRICAL

13.01	BACK-UP Alarm: With Intermittent Feature (Ambient Noise Sensitive).		
-------	---	--	--

13.02	Battery Shock Pads		
13.03	Daytime Running Lights		
13.04	Electric Circuit Protection Package: 12 Volt With Circuit Breakers (Headlamp Circuit SAE Type I; All Other Circuits SAE Type II).		
13.05	Negative Ground System		
13.06	Electrical Connections Waterproof (Sprayed With "GLYPTOL" Or Equal).		
13.07	Signal Flasher Type: Transistorized Flasher for Turn Signal.		
13.08	Battery Disconnect switch located near battery boxes		

#### 14. PAINT

14.01	Paint -Cab Exterior: Single Color, MACK White with Clear Coat.		
14.02	Paint- Cab Interior: Same Color As Cab Exterior Color		
14.03	Paint -Chassis Running Gear: Black (Urethane)		

#### 15. PTO/SPECIALTY/ADDITIONAL EQUIPMENT

15.01			
15.02			
15.03	Spare Front Rim & Tire.		
15.04	Spare Rear Rim & Tire		
15.05	Shop & Service Manuals On CD --- EXTENDED WARRANTY ENGINE AND REAR AXLE HOUSING AND CARRIER 5YR 200,000 MILES --NO EXCEPTIONS		

#### 16. VEHICLE ELECTRONICS

16.01	Tamper Resistance		
16.02	Hand Throttle Control		
16.03	Engine Protection System, Engine Shutdown And Warning With Manual Override		
16.04	Exhaust Temperature Shutdown		
16.05	Vehicle Data Log- "DATAMAX": Furnish Vehicle Data Log Feature - "DATAMAX" BUILT -IN Trip Recorder (Includes Comprehensive Current And Total Trip Log, Maintenance Log, Trip Histograms, Driver Event Log, And Customer Definable Trip Log. Datamax Features Are Programmable Through Infomax PC Based Software When Available.)		

#### 17. DEALER INFORMATION

17.01	Bidder must be a New Jersey Licensed New Truck Dealer Authorized By The Manufacturer with service facilities located at their New Jersey location.		
17.02	Internet access to truck OEM Mandatory		
17.03	Engine Surcharge Included		

#### 18. PERFORMANCE/GRAPHICS/TECH DATA

18.01	Overwidth Statement: Overall Width Exceeds 96"		
-------	--	--	--
