## **I. PURPOSE**

---

The purpose of this Assistance Guide is to connect New Jersey residents affected by Hurricane Sandy. The Guide lists information on many programs and agencies. Updates and verification are on-going. Updates are available at [www.nj211.org](http://www.nj211.org).

The Guide is arranged in sections based on needs and the types of services provided. Where applicable there are tables arranged to show help available statewide and within the counties. Phone numbers and specific information regarding service eligibility, hours etc. may also be outlined.

You are welcome to call "2-1-1" 24 hours a day, seven days a week for help in finding available disaster assistance services. Language translation and TTY services are offered to any caller. You can also visit [www.nj211.org](http://www.nj211.org) to review the flood resource section, search the database of services in your local community or to chat live with an experienced community resource specialist. 2-1-1 will help identify with you the best local resources to fit your individual needs after a disaster or for life's everyday situations.

Emotional support for people affected by disasters or other overwhelming events is available by calling New Jersey Mental Health Cares' Disaster Mental Health Helpline (877) 294-HELP (4357), where experienced crisis counselors can be reached. A TTY line is also available at (877) 294-4356. The line is staffed from 9:00 AM – 5:00 PM weekdays. You may leave a message at other times and a mental health professional will return your call.

Additionally, the Disaster Distress Helpline, a national hotline, may be reached at 800-985-5990. Helpline staff provide immediate crisis counseling and help to people affected by Hurricane Sandy. You can also text "TalkWithUs" to 66746 and begin the process of recovery. TTY for Deaf/Hearing Impaired: 1-800-846-8517

## **II. GETTING STARTED**

---

### **Disaster Declaration 4086-DR**

The U.S. Department of Homeland Security's Federal Emergency Management Agency (FEMA) announced that federal disaster aid has been made available to the State of New Jersey and ordered federal aid to supplement state and local recovery efforts in the area affected by Hurricane Sandy beginning on October 26, 2012, and continuing.

**President Obama approved a Major Disaster Declaration (FEMA-4086-DR-NJ) for the State of New Jersey for Hurricane Sandy on October 30, 2012.** The President's action makes federal funding available to affected individuals in Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, Somerset and Union counties. **On November 6 this declaration was extended to include all 21 counties in the state.** Assistance can include grants for temporary housing and home repairs, low-cost loans to cover uninsured property losses, and other programs to help individuals and business owners recover from the effects of the disaster.

**On November 4 Governor Christie announced that FEMA Public Assistance was expanded to include all 21 counties in New Jersey.** Public Assistance Program funding is now available to state and eligible local governments and certain private nonprofit organizations on a cost-sharing basis for debris removal and emergency protective measures, and the repair or replacement of facilities damaged by Hurricane Sandy. All counties in the State of New Jersey are eligible to apply for assistance under the Hazard Mitigation Grant Program (HMGP).

Residents and business owners who sustained losses in the designated counties can begin applying for assistance by registering online , by web enabled mobile device at [m.fema.gov](http://m.fema.gov) or by calling 1-800-621-FEMA(3362) or 1-800-462-7585 (TTY) for the hearing and speech impaired. The toll-free telephone numbers will operate from 7 a.m. to 10 p.m. EDT seven days a week until further notice

### **Insurance Claims**

**If your home has suffered damage, call the agent who handles your insurance to file a claim. If you have suffered damage related to flooding conditions and do not know if you have flood insurance, you can call the National Flood Insurance Program at 1-800-638-6620 to confirm your current flood insurance and to find out where to submit your claim.** If you are unable to stay at home, make sure to say where you can be reached. To make filing your claim easier, take photos of the house and save damaged personal property. If necessary, place these items outside the home. An insurance adjuster will need to see what is damaged in order to process your claim. If FEMA assistance is available to you because you live in the area included in the declaration you are expected to contact your insurance company first. FEMA may only help with damage not covered by your insurance policy.

[<http://www.state.nj.us/dobi/pressreleases/pr110830.htm>]

### **File Insurance Claims at Mobile Catastrophe Units**

Some insurance companies are offering claims processing at [mobile catastrophe units](http://www.state.nj.us/dobi/division_consumers/insurance/mobileclaims.htm) [http://www.state.nj.us/dobi/division\_consumers/insurance/mobileclaims.htm] located throughout the state. These locations provide an additional alternative for residents to file their insurance claims besides the typical routes such as through one's insurance agent or via telephone. This list will constantly be changing, so please check back to see if additional companies and locations have been added.

## **Disaster Recovery Centers**

Disaster Recovery Centers (DRCs) are opening to assist individuals, households and businesses affected by Hurricane Irene. DRCs are planned for all designated counties and openings will be announced as arrangements are finalized. Each DRC will be staffed with Federal Emergency Management Agency (FEMA), U.S. Small Business Administration and state agency disaster recovery specialists who are ready to help survivors through the process.

Residents are encouraged to register with FEMA **before** visiting a center. Through a partnership with State and Municipal governments, DRCs are providing the disaster survivors an opportunity to talk with experienced personnel about: disaster assistance, low interest rate federal disaster loans, disaster crisis counseling, voluntary agencies disaster assistance available and preventive measures to mitigate damages to property and life.

When a disaster survivor visits a DRC, they will be greeted by a FEMA employee who will ensure the survivor has registered with FEMA before speaking to the organizations available in the DRC. This is why is important for survivors to register with FEMA before they arrive to the center.

### **At the Disaster Recovery Center, visitors can expect to:**

- Receive information about different types of state and federal disaster assistance.
- Get help completing low-interest loan applications from the U.S. Small Business Administration (SBA) for homeowners, renters and business owners.
- Inquire about the status of applications for federal assistance.
- Clarification of any written correspondence received
- Possibly receive referrals to voluntary agencies to help with immediate unmet needs.
- Learn cost-effective mitigation measures to reduce the impact of future disasters.

See the following pages for a complete listing of DRC locations and hours. Centers are currently open from 8 AM to 8 PM every day unless otherwise noted. To check locations online, FEMA has also established a [DRC Locator](http://asd.fema.gov/inter/locator/home.htm).

To check locations online, FEMA has also established a <a href="http://asd.fema.gov/inter/locator/home.htm">DRC Locator</a> [http://asd.fema.gov/inter/locator/home.htm]. Last Update: 11.11.12		

## **FEMA Assistance Programs**

**Individual Assistance** is disaster assistance directed to families, individuals and businesses within a declared disaster area. Assistance can include grants for temporary housing and home repairs, low-cost loans to cover uninsured property losses, and other programs to help individuals and business owners recover from the effects of the

disaster. Specific information on what is covered under individual assistance is available [here](http://www.fema.gov/assistance/process/assistance.shtm). [http://www.fema.gov/assistance/process/assistance.shtm]

**Public Assistance** provides assistance to states, local governments, and certain non-profit organizations for emergency work and the repair or replacement of disaster-damaged facilities.

**Hazard Mitigation Grant Program** which provides assistance to State and local governments and certain private, nonprofit organizations for actions taken to prevent or reduce long term risk to life and property from natural hazards, is available to all counties in the State of New Jersey. All are eligible to apply for assistance under the Hazard Mitigation Grant Program.

### **Filing for FEMA Assistance**

#### **If you have been impacted by the recent storm you must first register with FEMA to get assistance!**

You may [apply online](http://www.disasterassistance.gov/) [http://www.disasterassistance.gov/] and or by calling 1-800-621-3362; TTY users can call 1-800-462-7585. The call takes about 20 minutes. If call volume is high, you may have trouble getting through. In that case it is recommended that you call during off-hours (after 5:00 PM and before 8:00 AM.) The system is automated. Please have a pen and paper ready whether you file on the phone or online. You will also need the following information:

- Five Digit Zip Code
- Current Contact Telephone Number
- Social Security Number
- Current Mailing Address and Address of Damaged Property
- Date the Damage Occurred
- Directions to the Property
- Brief Description of Damaged Property
- Insurance Information and Policy Number(s)
- Family Gross Income
- A Bank Routing Number if you want funds deposited directly to your bank account. Lookup your bank routing number online [here](http://www.fededirectory.frb.org/search.cfm) [http://www.fededirectory.frb.org/search.cfm].

*Note: FEMA verifies the name and social security number of those registering for disaster assistance. If the name and social security number on file with the Social Security Administration does not match the information you provide, you will be asked to submit a copy of an original document, e.g. marriage license, military ID, tax documents, etc., for proof of identity. A need to review and update identity documentation may cause delays in delivery of assistance.*

**Be sure to get a FEMA application number.** After you've completed your application for assistance, you will receive a FEMA application number. **Write down this number and keep it for future reference.** If you do not have a FEMA Registration Number,

you will not receive services. You can also use the number for identification at banks, airlines, etc. if your identification has been destroyed.

**Ask for help in filing if you need to.** If you or someone you know needs help filling out a FEMA application due to age or disability, help is available by calling NJ Ease at 1-877-222-3737.

### **FEMA Assistance for Immigrant Families**

FEMA helps the Household - the Family. If anyone in the family qualifies (eg. a child born in the United States, or a father with a green card), then the FAMILY qualifies for FEMA help.

### **FEMA Outreach Efforts Continue**

Residents of the affected counties who have made application for Federal Assistance or who plan on making application for federal assistance will be contacted by fully credentialed Inspectors to schedule an appointment to inspect damage and to determine eligibility for any funded programs. The New Jersey Office of Emergency Management has established Community Relations teams with our FEMA partners. These teams will be visiting the affected areas of the State to conduct further outreach to those residents who may be eligible and may be in need of assistance due to the most recent disaster.

### **After Applying for FEMA Assistance**

Inspectors contracted by the Federal Emergency Management Agency are contacting New Jersey residents who have applied for disaster assistance. These inspectors have approved FEMA identification badges that include the inspectors name and photo, and the name of the company under contract with FEMA. They will ask for information to verify your name and address and registration with FEMA. **They will NOT ask for a Social Security number nor ask to be paid for the inspection. The FEMA inspection is FREE, so beware of fraudulent individuals attempting to charge for an inspection.**

The inspection generally takes 30 - 40 minutes, during which the inspector will assess disaster-related damage for both real and personal property and may take photos of the interior and exterior of the damaged dwelling. The inspector will then enter damage-related information into a handheld computer and send that data electronically to FEMA. The inspector does not determine whether a registrant is eligible for assistance, or the amount of a FEMA grant the individual may receive.

The inspector will ask the applicant to sign a form authorizing FEMA to verify that the information given is accurate. Within about 10 days a letter will be sent by FEMA to the applicant with notification about the decision of whether the applicant is eligible for help. If you are eligible, that letter will be followed by a check (or there will be an electronic transfer to the appropriate bank account). The letter will explain what the money can be used to pay for, and applicants should be careful to use the funds as indicated.

## **What to do if FEMA Assistance is Denied**

A denial letter does not necessarily mean that an applicant is ineligible for assistance. It may mean that the information provided is incomplete. Make sure that you have submitted sufficient documentation of identity, ownership, and disaster damage. Complete and return the U. S. Small Business Administration loan application as this is an essential part of the recovery process as well. A letter from FEMA that states you have been denied assistance because you are "INS-insured" is an indication that there is an insurance issue. Call the FEMA helpline to update insurance information as soon as it becomes available.

Applicants have 60 days from the date of their determination letter to appeal the FEMA decision. All appeals must be in writing and should include the disaster identification registration number.

The appeal should include new or missing information, documents and damage repair estimates that support the appeal request.

### Mail appeals to:

FEMA – Appeals Officer  
National Processing Service Center  
PO Box 10055  
Hyattsville, MD 20782-8055

Appeals may be faxed to: 1-800-827-8112

## **Report False Damage Claims**

If you suspect someone is filing false damage claims, please report it. Help FEMA make sure that disaster aid goes only to those who deserve it. It is a violation of federal law to file a false claim.

Report a false damage claim: Call (800) 323-8603 or E-mail:

[DHSOIGHOTLINE@dhs.gov](mailto:DHSOIGHOTLINE@dhs.gov) .

The National Center for Disaster Fraud (NCDF) was established to receive and screen reports from the public about possible fraud relating to disasters of all types, and to refer those reports to appropriate federal law enforcement agencies.

Members of the public who wish to report FEMA and disaster-related fraud may contact the NCDF:

By Phone (877) NCDF GCF (623-3423)

By Fax (225) 334-4707

By E-Mail to [disaster@leo.gov](mailto:disaster@leo.gov)

By Mail: National Center for Disaster Fraud, Baton Rouge, LA, 70821-4909

## **SBA Loans**

SBA provides low interest disaster loans to homeowners, renters, businesses of all sizes and private, non-profit organizations to repair or replace real estate, personal property,

machinery & equipment, inventory and business assets that have been damaged or destroyed in a declared disaster.

Interest rates for these loans are low with terms up to 30 years. Loan amounts and terms are set by the SBA and are based on each applicant's financial condition.

- SBA disaster loans up to \$200,000 are available to homeowners to repair/replace real estate.
- Homeowners and renters are eligible for up to \$40,000 from SBA to repair/replace personal property.
- Businesses of any size may borrow up to \$2 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory and other business assets.

Filling out the SBA home loan application is a necessary step in order to be considered for some other forms of disaster assistance. Applicants may be eligible for more aid.

If SBA is unable to approve a home loan, the applicant may be referred back to FEMA for some other disaster aid. Applicants may be awarded assistance for personal items, repair or replacement of a vehicle, etc.

To be considered for all forms of disaster assistance call the Federal Emergency Management Agency (FEMA) at 800-621-FEMA (3362). The locations of Disaster Recovery Centers are listed in earlier pages of this guide. Answers to questions about the loan application process can be obtained by calling the SBA Customer Service Center at 800-659-2955 (800-877-8339 for the hearing impaired), Monday through Friday from 8 a.m. to 6 p.m. EDT or by sending an e-mail to [disastercustomerservice@sba.gov](mailto:disastercustomerservice@sba.gov).

Those affected by this disaster may complete loan applications online by visiting SBA's secure [website](https://disasterloan.sba.gov/ela/). [<https://disasterloan.sba.gov/ela/>]

### **SBA Business Recovery Centers**

The U.S. Small Business Administration will open Business Recovery Centers in New Jersey. These Centers will provide one-on-one assistance to business owners seeking disaster assistance for losses caused by Hurricane Sandy. Below you will find a listing of centers that are currently operational. This list will expand as new openings are announced.

SBA's customer service representatives will be on hand at the Centers to issue loan applications, answer questions about the disaster loan program, explain the application process and assist business owners in completing their applications. Also, SBDC counselors are available to assist business complete their application package.

Businesses and non-profit organizations of any size may borrow up to \$2 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory, and other business assets. The SBA may increase a loan up to 20 percent of the total amount of disaster damage to real estate and/or leasehold improvements, as verified by SBA, to make improvements that lessen the risk of property damage by future disasters of the same kind.

For small businesses, small agricultural cooperatives, small businesses engaged in aquaculture, and most private non-profit organizations, the SBA offers Economic Injury Disaster Loans to help meet working capital needs caused by the disaster. Economic Injury Disaster Loan assistance is available regardless of whether the business suffered any physical property damage.

To obtain additional assistance call, the SBA Customer Service Center at 800-659-2955 (800-877-8339 for the deaf and hard-of-hearing) or send an e-mail to [disastercustomerservice@sba.gov](mailto:disastercustomerservice@sba.gov). Those affected by the disaster may also apply for disaster loans electronically from [SBA's website](https://disasterloan.sba.gov/ela/) [https://disasterloan.sba.gov/ela/]. The filing deadline to return applications for physical property damage is December 31, 2012. The deadline to return economic injury applications is July 31, 2013.

### **Other Needs Assistance (ONA)**

New Jersey residents who did not receive reimbursement from FEMA for items purchased in direct response to Hurricane Irene may qualify under a separate FEMA grant program: Other Needs Assistance (ONA).

The purpose of ONA is to provide financial assistance to individuals and households who have no applicable insurance and may have been denied by the U.S. Small Business Administration Disaster Assistance program. FEMA may be able to reimburse you for disaster-related purchases. In order to be considered you must provide receipts documenting the purchases. *Lost receipts can often be replaced at the original place of purchase.*

Disaster-related items eligible for reimbursement may include:

- Smoke detectors
- Dehumidifiers
- Chainsaws
- Carbon monoxide detectors
- Weather radios

### **Microloan Program for Small Businesses**

UCEDC, a Community Development Financial Institution and US Small Business Administration (SBA) microlender, provides access to capital to underserved populations and communities. While available to all small business owners in New Jersey, their microloan program especially supports borrowers with little to no credit history, low-income borrowers, and women and minority entrepreneurs. Loan officers are prepared to give hurricane-affected businesses top priority in the application process. Business owners can call UCEDC at 908-527-1166 to see if they qualify or they can go [online](http://www.ucedc.com/content/loan-products). [ <http://www.ucedc.com/content/loan-products>]

### **III. IMMEDIATE ASSISTANCE**

---

The American Red Cross and the Salvation Army are considered First Responders in an emergency. Necessities such as shelter, food, clothing, or cleaning materials can often be obtained from these organizations. Clean-up plans are now being developed and will be announced as soon as they are finalized. Check [www.nj211.org](http://www.nj211.org) for the most current information.

#### **American Red Cross**

The Red Cross provides immediate emergency assistance to people affected by disaster, such as; shelter, food and water, health and mental health services to address basic human needs.

- The goal of Red Cross disaster relief is to enable individuals and families to resume their normal daily activities independently.

The Red Cross also feeds emergency workers, handles inquiries from concerned family members outside the disaster area, provides blood and blood products to disaster victims, and helps those affected by disaster to access other available resources.

To locate your local Red Cross Chapter, go to [www.redcross.org](http://www.redcross.org) and enter your zip code under "Find the Red Cross Nearest You". To access a current list of emergency shelters that are open now go to <http://app.redcross.org/nss-app/>.

#### **Information and Referral**

**Call 2-1-1 by simply dialing 2-1-1 from any phone** to learn about your local community resources. Each county has specific services set up for individuals and families affected by the recent flooding. An experienced call specialist can help you find the best and most current service available to meet your needs.

#### **Disaster Mental Health Hotlines**

Crisis counselors will provide outreach and education services about coping with the emotional difficulties in the aftermath of emergencies such as these. Stress can surface in many forms and often appears weeks or months after a traumatic event. It may include anger, fatigue, loss of appetite, sleeplessness, nightmares, depression, inability to concentrate, hyperactivity and/or increased alcohol or drug use. If you or someone you know is experiencing distress or feeling overwhelmed by painful emotions related to recent events, call the **New Jersey MentalHealthCares' Disaster Mental Health Helpline (877) 294-HELP (4357)** where experienced crisis counselors can be reached. A TTY line is available at (877) 294-4356. Translation services are available as well.

An informative guide on Managing the Emotional Consequences of Storms and Floods is also available (in English and Spanish) by following this link to

<http://www.state.nj.us/humanservices/dmhs/disaster/#4>.

Additionally, the **Disaster Distress Helpline**, a national hotline, may be reached at 800-985-5990. ## **IV. MORE FEDERAL AND STATE DISASTER ASSISTANCE**

---

### **Evacuation Routes and Road Conditions**

Evacuation routes for areas throughout NJ, current road conditions and reports on mass transit closures are available at [www.nj511.org](http://www.nj511.org) or by dialing 5-1-1. Other emergency evacuation information may be available in the Local Resource section of this resource guide.

### **Shelter**

A nearly real-time listing of Red Cross emergency shelters throughout the state is accessible at <http://app.redcross.org/nss-app/> or by calling your [local Red Cross chapter](#) [<http://www.redcross.org/cgi-bin/chapts-new.asp#NJ>]. A comprehensive list of shelters that has been organized by county is also available in the Local Resource section of this resource guide and is based upon information received from the American Red Cross, Salvation Army and active network of volunteer organizations in our state.

### **You may be eligible for assistance through the Homeless Prevention Program.**

This program provides temporary assistance to households who are facing eviction or foreclosure because of conditions that have left them incapable of making payments. Natural disasters fall into this category but must be documented by the Red Cross or a letter from FEMA. This aid is temporary and is based upon income eligibility. [Learn about HPP](#). [<http://www.state.nj.us/dca/divisions/dhcr/offices/hpp.html>] To see if you qualify call Mercedes Caesar at 609-441-3334 or Roseanne Macchiarelli at 732-255-0834.

**NJ Housing Resource Center** is an online, housing information clearinghouse designed to help all New Jerseyans with their housing-related needs. Searches on the database can be narrowed to limit your results to include a specific type of housing unit and the site includes maps and pictures and is updated bi-weekly to give an accurate reflection of housing availability in our state. [Visit the NJHRC website](#). [<http://www.njhousing.gov/>]

### **Assistance for Homeless Veterans**

The Department of Housing and Urban Development and VA Supported Housing (HUD-VASH) Program provides permanent housing and ongoing case management treatment services for homeless Veterans who require these supports to live independently. This program allows Veterans and their families to live in Veteran-selected apartment units. This program provides for the most vulnerable Veterans, and is especially helpful to Veterans with families, women Veterans, recently returning Veterans and Veterans with

disabilities. [Learn more about HUD-VASH](http://www.va.gov/HOMELESS/HUD-VASH_Eligibility.asp). [http://www.va.gov/HOMELESS/HUD-VASH\_Eligibility.asp]

Please Remember Your Pets: If you are ever evacuated, you need to bring your pets with you. Some shelters are pet friendly, but many are not. Additionally, some counties have deployed their County Animal Response Team to shelter animals. The NJ Department of Agriculture recommends that you ask a dependable friend or relative who lives some distance from the evacuation area if you and your pets can stay with them until the all clear is given.

An alternative is to find a pet friendly motel. Following are links to websites that can help you do just that.

### **Assistance with Food**

**For the time being, assistance through the SNAP (formerly known as Food Stamps) Program is only available to current SNAP recipients.** If you received food stamps before the storm and live in an area where over 50% of the population was without power you will receive a reimbursement of 25 percent of your October monthly SNAP allotment, allowing you to replace a portion of the food you may have lost during the power outage.

You must live in one of these counties to be eligible for automatic reimbursement: Atlantic, Bergen, Cape May, Essex, Hudson, Hunterdon, Mercer, Middlesex, Monmouth, Morris, Ocean, Passaic, Somerset, Sussex, Union and Warren. If you do, you will receive the following benefits:

- SNAP replacement benefit of 25% automatically within the next few weeks on your EBT card. You do not need to call or visit your county welfare agency. The reimbursement will take place automatically.
- The prepared food waiver also allows you, for a limited time, to purchase hot and cold prepared meals from participating stores with your benefits, an exception to the SNAP rules.

**Help is available to SNAP recipients living in the remaining counties.** Individuals and families on SNAP from the counties of Burlington, Camden, Cumberland, Gloucester and Salem also are eligible for the replacement benefit, but must go to their county welfare office to apply. If you live in one of these counties you are not eligible for the hot food benefit.

### **Disaster Food Stamps (DSNAP) are not yet available in New Jersey.**

Additionally, the rumor about FEMA providing \$300 food vouchers is not true. If you are in need of food, visit [End Hunger NJ](http://endhungernj.com/) [http://endhungernj.com/] where you will find a food pantry in your area.

Some food pantries and soup kitchens in Ocean and Monmouth counties have been closed due to damage sustained by the storm. [Find an open food pantry or soup kitchen in Ocean County](#). [images/HurricaneSandy/Oceancountyfoodpantries.pdf] [Find an open food pantry or soup kitchen in Monmouth County](#). [images/HurricaneSandy/Monmouthcountyfoodpantries.pdf] Operational hours may have changed and supplies may be limited so be sure to call before you go to verify details. You may need an ID to prove residency and will be asked to declare that you were affected by the disaster.

## **Health Concerns**

In response to general health concerns in the aftermath of Hurricane Sandy, the Department of Health and Senior Services opened a toll-free Public Health Call Center to provide callers with information about prevention and treatment of mold, disposal of spoiled food due to power outages and water concerns.

The call center is being staffed by health experts from the Department's Division of Epidemiology, Environmental and Occupational Health who can answer questions about prevention/treatment of mold growth in flooded homes and businesses, disposal of food spoiled as a result of power outages and concerns about water that needs to be treated to make it safe for drinking and other uses.

The DHSS Call Center will be open from 8:00 am - 8:00 pm weekdays and from 10:00 am to 5:00 pm on weekends. The number for the call center is 866.234.0964 or you can dial 2-1-1 and follow the prompt to be directed to this line.

## **Business Recovery Assistance Services**

To support the recovery of New Jersey's businesses a series of business assistance services for those affected by the storm is now available. Information for all services may be accessed through [New Jersey's Business Action Center](#) (BAC), by calling 1-866-534-7789 or through their website. [http://www.nj.gov/njbusiness].

The business recovery assistance services are designed to support businesses and workers who may be temporarily unable to perform their jobs due to the storm. These services include:

- Access to lines of credit of up to \$500,000 for businesses that need access to cash to improve their damaged property while awaiting insurance proceeds;
- Grant awards for businesses to assist with on-the-job training costs for new workers hired specifically to assist in disaster-related activities, such as landscaping and tree removal, construction, insurance claims, building supplies sales, materials transport, utility work, call and claims centers staffing, and infrastructure clearing and repair.
- Availability of the Business Resource Centers at any of the 17 local One-Stop Career Centers across the state as temporary hubs for businesses to access telephone and internet services as well as for job seekers and displaced workers

seeking workforce development and unemployment assistance. [Access a listing of temporary hubs.](http://www.state.nj.us/njbusiness/hubs.shtml) [<http://www.state.nj.us/njbusiness/hubs.shtml>]

- The availability of Disaster Unemployment Benefits to provide income security for those displaced workers suffering temporary storm-related job loss.
- Dispatch of Rapid Response team members to identified Disaster Recovery Centers to assist displaced workers
- Availability of services through New Jersey Youth Corps to assist non-profit, public and governmental entities in a variety of ways for disaster relief and clean-up.

In addition, BAC's Business Call Center is also the one-stop resource for more information on how to get businesses back up and running. The Call Center staff can assist with the following services:

- Arranging business facility inspections for buildings suffering major flood damage, as such conditions require structural integrity inspections before utility service can be restored. These inspections are handled in local code enforcement offices and by local code enforcement officials. Anticipating an enormous increase in such work, the Department of Community Affairs has mobilized all qualified personnel to assist local governments in this effort.
- Advocate for businesses seeking assistance from local utilities to restore electric, phone, gas and water services.
- Advocate with insurance carriers to file and expedite claims.
- Provide information on how to qualify for federal recovery assistance, and
- Connect businesses to the other county and local business services and to the services offered by the Small Business Administration and Small Business Development Centers that include assistance with insurance claims, as well as loans and business plan revisions.

### **Disaster Unemployment Assistance**

Federal Disaster Unemployment Assistance (DUA) is available to residents throughout our state who were living or working in New Jersey at the time of the disaster, and who are unemployed as a direct result of the damages caused by the storm.

Most impacted workers may already qualify for regular Unemployment Insurance. The federal DUA is a special program that covers many people who otherwise may not be eligible for regular Unemployment Insurance. If you are unemployed because of the disaster that began on Oct. 28, you should FIRST file for unemployment insurance benefits through the [state website](https://njsuccess.dol.state.nj.us/html/uimain.html) [<https://njsuccess.dol.state.nj.us/html/uimain.html>].

Claims registered online are processed faster. However, if needed, people may also file a claim by telephone by contacting the state Department of Labor's Re-employment Call Centers at:

- North Jersey (201) 601-4100
- Central Jersey (732) 761-2020
- South Jersey (856) 507-2340

A 30-day deadline ending December 3, 2012 is in effect for filing DUA claims resulting from Hurricane Sandy. Some temporary work opportunities associated with disaster recovery are now available as well. [Learn more about unemployment insurance and job search assistance.](#)

### **New Jersey Drivers License or ID**

Storm victims who wish to obtain a New Jersey Driver's License or ID will be required to meet the New Jersey documentation requirements. Visit <http://www.state.nj.us/mvc/> to download forms for new registration or driver's license.

### **New or Replacement Social Security Card**

Anyone receiving Social Security payments that have been interrupted can go to any Social Security office to get an emergency payment. For information about changing mailing addresses, obtaining a new card, direct deposit, or locating the nearest Social Security office, call 1-800-772-1213 (TTY 1-800-325-0778) from 7 a.m. – 7 p.m./ Monday through Friday or go online at <http://www.socialsecurity.gov>.

## **Supplemental Security Income (SSI) and Social Security Disability Insurance (SSDI)**

Storm victims who already receive SSI and SSDI should contact the Social Security Administration directly at 1-800-772-1213 to learn how checks may be reissued, cards replaced or to report a change in address.

## **Suspension of Federal Student Loan Payments**

If you live in a federally declared disaster area, you may be eligible for relief that would temporarily suspend your federal student loan payments. Relief will not be proactively given to you—you must request it. You have different options for requesting relief, depending on how you received your loans:

- For Direct Loan (DL) program loans: Call the Direct Loan Servicing Center at 800.848.0979.
- For Federal Family Education Loan Program (FFELP) loans: Contact your lender directly or call 800.4FEDAID (800.433.3243).
- All borrowers can also contact the Federal Student Aid Ombudsman at 877.557.2575 or 202.377.3800 for assistance.

## **Tax Relief**

The IRS announced that it is providing tax relief to individual and business taxpayers impacted by Hurricane Sandy that include certain taxpayers in New Jersey. The tax relief postpones various tax filing and payment deadlines that occurred starting in late October. As a result, affected individuals and businesses will have until Feb. 1, 2013 to file these returns and pay any taxes due. This includes the fourth quarter individual estimated tax payment, normally due Jan. 15, 2013.

It also includes payroll and excise tax returns and accompanying payments for the third and fourth quarters, normally due on Oct. 31, 2012 and Jan. 31, 2013 respectively. It also applies to tax-exempt organizations required to file Form 990 series returns with an original or extended deadline falling during this period.

The IRS will abate any interest, late-payment or late-filing penalty that would otherwise apply. The IRS automatically provides this relief to any taxpayer located in the disaster area. Taxpayers need not contact the IRS to get this relief.

For full details, about this and other tax related initiatives visit the [IRS newsroom](http://www.irs.gov/uac/Newsroom/Help-for-Victims-of-Hurricane-Sandy).

## **Your Rights as a Renter**

### **Rent Abatement and Security Deposits**

If you are a tenant and you have been displaced as a result of the storm, you may be entitled to a return of part of the rent you paid if you are unable to live in your home during that period of time. You also may not have to pay your rent for the months after that if you are not able to go back into your apartment. Finally, if you are able to return to your apartment, but it is not completely habitable, you may not have to pay all the rent.

Your displacement due to this natural disaster, may also entitle you to have your security deposit returned quickly. A landlord must return your security deposit within five business days if:

- The displacement is caused by fire, flood, condemnation or evacuation; and
- An authorized public official posts the premises with a notice prohibiting occupancy, or
- A building inspector has certified within 48 hours that displacement is expected to continue longer than seven days and has so notified the owner in writing.

## **Finding a Lost Pet / Caring for Pets When Returning Home**

The New Jersey Department of Agriculture has been working with the state Office of Emergency Management, U.S. Department of Agriculture and the Humane Society of the United States (HSUS) to help dogs, cats and other pets and owners in need. A hotline for residents affected by Hurricane Sandy who left their pets behind when evacuating their homes in advance of the storm has now been opened. The phone number to call is 1-855-407-4787 (1-855-407-HSUS). Those who call the hotline will be

asked for information to assist animal rescue teams in locating the animals and bringing them safely to a shelter. The hotline is available 24 hours a day.

It is also a good idea to contact veterinarians, humane societies, pet shelters, and other facilities that might house animals. Be prepared to identify and document ownership when claiming lost livestock. The United States Department of Agriculture Missing Pet Network at [www.missingpet.net](http://www.missingpet.net) may be of assistance.

Once you and your pets return to your home, be careful about allowing your pets outdoors unattended and off-leash. The floods may have altered familiar scents and landmarks and your pet could easily get confused and become lost.

In addition, sharp objects, downed electric lines, fallen trees and other debris, or contaminated water could present a real danger to your pet. Raccoons, skunks or other wild animals may have entered the area and could also present a danger to your pets.

### **Caring for Farm Animals**

Many areas lost power for days as a result of the storm. If you are a farmer with herds of animals and are experiencing difficulties getting adequate food or water for your herds as a result of this disaster event contact your County Office of Emergency Management for assistance in solving the issue on a local level. County Animal Response Teams (CARTs) may have resources and/or connections to assist the farmers.

If you or someone you know has an agricultural or animal care issue related to the storm you may also contact New Jersey Department of Agriculture at the office in Trenton 609-292-3965. For more information, go to:

<http://www.nj.gov/agriculture/news/hottopics/approved/topics110827.html>.

### **Financial Services and Consumer Advice**

If you believe you have been the victim of a fraud, or if you want to find out how to avoid fraud when making purchases and paying for services, contact the NJ Division of Consumer Affairs. Fourteen of the twenty-one counties in New Jersey have local offices. A review of this listing of [County and Municipal Consumer Affairs Offices](http://www.njconsumeraffairs.gov/brief/caoffice.pdf) [http://www.njconsumeraffairs.gov/brief/caoffice.pdf] will provide you with your local number. If you do not have a local office you may contact the Division of Consumer Affairs by telephone at (973) 504-6200 or (800) 242-5846 (toll free, New Jersey only); E-mail: [askconsumeraffairs@lps.state.nj.us](mailto:askconsumeraffairs@lps.state.nj.us) ; or by mail at 124 Halsey Street, Newark, New Jersey 07102.

## Mobile Feeding

The American Red Cross is distributing food in many areas throughout the state. Locations change frequently depending upon the need. [Visit this site](http://newsroom.redcross.org/sandy-fixed-feeding-locations/) for the most current locations in your area [<http://newsroom.redcross.org/sandy-fixed-feeding-locations/>] to find fixed feeding locations, fixed bulk distribution locations, and mobile feeding and distribution activities.

### **Mobile Bulk Distribution**

The American Red Cross is distributing food in many areas throughout the state. Locations change frequently depending upon the need. [Visit this site](http://newsroom.redcross.org/sandy-fixed-feeding-locations/) for the most current locations in your area [<http://newsroom.redcross.org/sandy-fixed-feeding-locations/>] to find fixed feeding locations, fixed bulk distribution locations, and mobile feeding and distribution activities.

### **Disaster Assessment**

The Red Cross Disaster Assessment teams are working in the areas where flood waters have receded to identify damage and the needs of the community.

### **Clean-Up Resources**

Stations will be set up in local areas to distribute food and clean-up kits. Mobile clean-up distribution units will also be going into areas affected by the flood to distribute materials.

To access helpful information about flood clean-up tips go to Section VI of this Guide, *Returning Home and Clean-Up*. Here you will find links to clean-up booklets with step-by-step instructions as well as videos that will demonstrate clean-up methods. Remember, flood waters must recede before clean-up can begin and there are many people who have been affected by this storm so you may have to wait for assistance.

## **VI. RETURNING HOME AND CLEAN-UP**

---

### **Drinking Water Precautions**

Power outages often occur in many municipalities as a result of storm waters. Public Water Utilities in these areas recommend specific safety precautions be taken to be sure that the water is safe for drinking, cooking, bathing and washing. To find out what is recommended in your area, contact your local municipality or call your water company.

### **BOIL WATER ADVISORIES IN EFFECT**

Every day since Hurricane Sandy hit our shores, boil water advisories (BWA) have been announced. These advisories change as conditions change. To get the most current information read alerts posted on your municipality's website or follow announcements issued through the [NJOEM Alerts and Updates](http://readynj.posterous.com/). [http://readynj.posterous.com/]

**If you get your water from a private well**, flush the well until the water is clear and free of sediment. To do this, attach a hose to an outside spigot and turn the water on. After the water is clear, then test the well for coliform bacteria. Do not drink the water until it has been tested if your well was under floodwater or if the water was dirty or cloudy when you turned it on.

Use bottled or boiled water until the testing can be done. To properly boil water, bring water to a rolling boil and hold it there for one minute. Let it cool and use as needed for drinking, cooking, brushing teeth, washing hands and for your pets.

Call your [local health department](#) for information on disinfecting private wells.

### **Debris Removal**

Call your local municipality to find out what is being done to collect debris in your area.

### **Flood Water Clean-up Tips**

For information about Flooding and Power Outages the following Web sites can help provide reassurance about how to prepare and what to do.

In an emergency, **call 9-1-1**. If you, a family member or others are in immediate danger or your property is threatened by flood, fire or downed power lines, call **9-1-1 immediately**.

[\*Creating a Healthy Home – A Field Guide for Cleanup of Flooded Homes\*](#) is a comprehensive do-it-yourself booklet that provides easy, step-by-step instructions on how to handle mold removal in flooded homes before starting to rebuild or renovate. Agencies working directly with individuals impacted by the floods can also order a shipment of printed booklets to distribute to those needing assistance. Please call the National Center for Healthy Housing (NCHH) at 877.312.3046 for more information.

The [North Dakota State University website](http://www.ag.ndsu.edu/flood) [http://www.ag.ndsu.edu/flood] offers access to many helpful and informative booklets and videos pertaining to flood recovery. Their publication, [Flood Recovery Checklists](http://www.nj211.org/images/Hurricane/FloodRecoveryandCleanUp.pdf) [http://www.nj211.org/images/Hurricane/FloodRecoveryandCleanUp.pdf] includes details on how to properly clean your home and the items within it as well as how to recover your garden and landscapes, recommendations regarding financial recovery and much more. This booklet was published by the North Dakota State University Extension Service and as such includes local resource information that does not apply to residents of New Jersey but all other information in the booklet will prove quite useful.

For general information, contact the NJ Office of Emergency Management - <http://www.nj.gov/njoem> or Contact the Center for Disease Control and Prevention at <http://emergency.cdc.gov/disasters/hurricanes/>

An informational brochure is available from the New Jersey Department of Community Affairs at <http://www.state.nj.us/dca/divisions/codes/alerts/pdfs/flood.pdf> entitled *Flooding Hazards: What You Need to Know*.

### **Inside the Home**

- Keep children and pets out of the affected area until cleanup has been completed.
- Wear rubber boots, rubber gloves, and goggles during cleanup of affected area.
- Remove and discard items that cannot be washed and disinfected (such as, mattresses, carpeting, carpet padding, rugs, upholstered furniture, cosmetics, stuffed animals, baby toys, pillows, foam-rubber items, books, wall coverings, and most paper products).
- Remove and discard drywall and insulation that has been contaminated with sewage or flood waters.
- Thoroughly clean all hard surfaces (such as flooring, concrete, molding, wood and metal furniture, countertops, appliances, sinks, and other plumbing fixtures) with hot water and laundry or dish detergent.
- Help the drying process by using fans, air conditioning units, and dehumidifiers.
- After completing the cleanup, wash your hands with soap and water. Use water that has been boiled for 1 minute (allow the water to cool before washing your hands).
- Or you may use water that has been disinfected for personal hygiene use (solution of 1/8 teaspoon of household bleach per 1 gallon of water). Let it stand for 30 minutes. If the water is cloudy, use a solution of 1/4 teaspoon of household bleach per 1 gallon of water.
- Wash all clothes worn during the cleanup in hot water and detergent. These clothes should be washed separately from uncontaminated clothes and linens.
- Wash clothes contaminated with flood or sewage water in hot water and detergent. It is recommended that a laundromat be used for washing large quantities of clothes and linens until your onsite waste-water system has been professionally inspected and serviced.
- Seek immediate medical attention if you become injured or ill.

## **Mold**

**Para informacion en Espanol, favor visitar el sitio de internet**

**<http://www.bt.cdc.gov/disasters/mold/es/moldprotection.asp>**

Mold in a damaged home can create serious health problems for residents following severe storms and flooding FEMA officials warn.

Mold flourishes in moist environments in water-damaged homes. It often appears as a fuzzy growth or a discoloration of surfaces, and may be accompanied by a musty, earthy odor or a foul stench. Residents are advised to use care when cleaning up the mold. If there are signs of mold growth in your home before you do anything about it you must decide who is best equipped to do the clean-up. This depends on a number of factors.

One consideration is the size of the mold problem. If the moldy area is less than about 10 square feet (roughly, less than a 3 ft. by 3 ft. patch), in most cases, you can handle the job yourself, following the guidelines below. If there has been a lot of water damage, and/or mold growth covers more than 10 square feet you may want to consult with a professional cleaning service. Who should do the cleanup depends on a number of factors. One consideration is the size of the mold problem. If the moldy area is less than about 10 square feet (roughly, less than a 3 ft. by 3 ft. patch), in most cases, you can handle the job yourself, following the guidelines below. However:

- If there has been a lot of water damage, and/or mold growth covers more than 10 square feet you may want to consult with a professional cleaning service.
- If you choose to hire a contractor (or other professional service provider) to do the cleanup, make sure the contractor has experience cleaning up mold. Check references and ask the contractor to follow the recommendations in EPA's [Mold Remediation in Schools and Commercial Buildings](#), the guidelines of the American Conference of Governmental Industrial Hygienists (ACGIH), or other guidelines from professional or government organizations.
- If you suspect that the heating/ventilation/air conditioning (HVAC) system may be contaminated with mold (it is part of an identified moisture problem, for instance, or there is mold near the intake to the system), consult EPA's guide [Should You Have the Air Ducts in Your Home Cleaned?](#) before taking further action. Do not run the HVAC system if you know or suspect that it is contaminated with mold - it could spread mold throughout the building.
- If the water and/or mold damage was caused by sewage or other contaminated water, then call in a professional who has experience cleaning and fixing buildings damaged by contaminated water. To access lists of consultants, laboratories, remediation firms and trade groups who provide various environmentally-related services click [here](#).  
[[http://www.state.nj.us/health/iep/mold\\_ta.shtml](http://www.state.nj.us/health/iep/mold_ta.shtml)]
- If you have health concerns, consult a health professional before starting cleanup.

### HAZARDS OF MOLD INFESTATION

- **Do not spend time in houses with mold.** Nasal stuffiness, throat irritation, coughing or wheezing, eye irritation, or, in some cases, skin irritation may occur.
- **People with mold allergies may have more severe reactions.** Immune-compromised people and people with chronic lung illnesses, such as obstructive lung disease, may get serious infections in their lungs when they are exposed to mold. These people should stay away from areas that are likely to have mold.

### **Tips and Techniques to Remove Mold**

The tips and techniques presented in this section will help you clean up your mold problem. Professional cleaners may use methods not covered in this publication. Please note that mold may cause staining and cosmetic damage. It may not be possible to clean an item so that its original appearance is restored.

#### **Before you begin**

Use fans at open windows or doors to dry a flooded residence, but be sure they blow outward, not inward, to avoid spreading the mold. Accelerate the drying process by using a dehumidifier to extract moisture from the air and the contents of your home. Do not use an air conditioning system until it has been checked by a professional. Using a system contaminated by mold will spread the mold throughout the house. Instead, open windows and doors to provide fresh air.

Discard porous materials such as carpet, mattresses, upholstered furniture insulation and ceiling tiles which are infected by mold. Wallboard, drywall and particle board are also porous and should be discarded. Workers should wear masks, protective eyewear and non-porous gloves while handling anything that is suspected of containing mold.

#### **Immediate actions you can take to remove mold:**

- Clean the area to remove, as much as possible, the mold and the material on which it is growing
- Clean with a non-ammonia detergent in hot water
- Scrub the entire area affected by the moisture
- Use a stiff brush or cleaning pad on block walls or uneven surfaces
- Rinse the area with clean water
- Thoroughly dry the area as quickly as possible
- Repeat cleaning as necessary to remove mold
- Disinfect with a 10% bleach solution (1 cup of bleach to 1 gallon of water), by applying a thin coat of bleach solution to the entire area, ensuring that the entire area is cleaned, not just the area where the moisture problem occurred. Use a sprayer or a sponge to apply the solution liberally, but avoid excessive amounts of runoff or standing pools
- Allow the area to dry naturally. Drying time is important for the disinfectant to be effective at killing mold and bacteria

## Further Advice

- **Never mix bleach and ammonia. The fumes are toxic!**
- Do not paint or caulk moldy surfaces. Clean up the mold and dry the surfaces before painting. Paint applied over moldy surfaces is likely to peel.
- If you are unsure about how to clean an item, or if the item is expensive or of sentimental value, you may wish to consult a specialist. Specialists in furniture repair, restoration, painting, art restoration and conservation, carpet and rug cleaning, water damage, and fire or water restoration are commonly listed in phone books. Be sure to ask for and check references. Look for specialists who are affiliated with professional organizations.

## VII. REPAIRS AND REBUILDING

---

### **NJ Board of Public Utility Advises Impacted Flood Victims of Available Assistance For HVAC, Boilers, Hot Water Heaters And Other Equipment**

The New Jersey's Clean Energy Program™ may be able to help you to replace damaged equipment, by providing you with rebates and incentives towards the incremental cost of purchasing higher efficiency replacement equipment. The WARMAdvantage, COOLAdvantage or Home Performance with ENERGY STAR® programs are designed to help you save on energy costs now and in the future. For more info click here: [www.njcleanenergy.com](http://www.njcleanenergy.com). Questions regarding the program also can be answered by calling toll-free to 1-866-657-6278.

### **Beware of Scams**

- Don't become the victim of disaster-related scams. The following tips are provided by the NJ Division of Consumer Affairs.
- Before you begin making repairs to your home make sure that the professional you are about to hire is licensed to do the repair work.
- Ask to see identification before you let anyone who claims to be from a utility company inspect your home.
- Never give your credit card number or financial information to strangers over the phone or on the Internet.
- It is customary not to pay for the entire home improvement project in advance. Pay one-third beforehand, one-third halfway through and one-third upon completion.

## **VIII. INFORMATION ABOUT DONATIONS**

---

### **Verifying the credibility of an organization**

To verify the legitimacy of any organization you can check Charitable Registration Section of the [NJ Attorney General's Web site](http://www.njconsumeraffairs.gov/ocp/charities.htm), [http://www.njconsumeraffairs.gov/ocp/charities.htm ] or call 973-504-6215.

### **Volunteer Your Services**

Agencies looking for volunteers may register their needs, and volunteers willing to assist in relief efforts, may search for opportunities at [VolunteerNewJersey.org](http://VolunteerNewJersey.org). This statewide database is maintained by The Association of New Jersey Volunteer Centers and the Governor's Office of Volunteerism. You can reach them by phone at (609) 633-9629 or (609) 775-5236.

### **Donations Needed**

#### **Supplies and Monetary Donations**

Local food pantries are always in need of food. [Find a pantry near you](#).

First Responder organizations: [The American Red Cross](#) (accepting donations online and by phone at (800) 733-2767) and [The Salvation Army](#) (accepting donations online, by phone at (800) SAL-ARMY or by texting the word "storm" to 80888, which will send an automatic \$10 donation from mobile phones.)

#### **United Way Hurricane Sandy Recovery Fund**

With leadership from United Way of New York City, United Ways along the Eastern Seaboard have established the United Way Hurricane Sandy Recovery Fund to address near-term and long-term recovery needs of communities most affected by the hurricane. Contributions to the Fund will be used by United Ways in Connecticut, Delaware, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Virginia, Washington, DC and West Virginia to address recovery needs in communities that FEMA has declared disaster areas. Visit [UWSandyRecovery.org](http://UWSandyRecovery.org) to donate to the Fund. You can also use your cell phone to text RECOVERY to 52000 to make a \$10 donation.

**Many local drives are occurring throughout the state.** See the most current list of volunteer and donation opportunities at the [NJ 2-1-1 website](http://www.nj211.org/images/HurricaneSandy/VolunteerDonateNow.pdf). [http://www.nj211.org/images/HurricaneSandy/VolunteerDonateNow.pdf]

NJ 2-1-1 as well as all of the organizations listed in the local resources section of this guide are directing all of their staff efforts to assisting people in need throughout this disaster and throughout the year. All of these organizations are non-profit and could always use your support. Please donate to the organization of your choice if you can.
