EMERGENCY - NOTICE OF WATER SERVICE INTERRUPTION

Dear Customer:

Perna Finnigan will be working for NJAW in the area to improve our water systems, during this time your water service maybe temporarily interrupted.

Wednesday January 9th & Thursday January 10th 2019 from approximately 9:00 PM to 3:00 AM (maybe pushed back a day due to rain or unforeseen problems)

As part of the New Jersey American Water Company's ongoing facilities upgrade and maintenance program, it will be necessary to shut off your water service. During this time, your water service may be affected and you may experience intermittent water service interruptions. We suggest that you save water for use during this time.

Should you have any questions concerning this matter please do not hesitate to contact Antonio Rodrigues (732)730-5837 or Customer Service at 1-800-272-1325.
