CHAPTER XX STREETS AND SIDEWALKS

20-1.5 Permit Fees.

The following schedule of fees is hereby fixed, determined and established as being the fees to be paid to the Township of Lakewood to be drawn upon by the Municipal Engineer in conjunction with the issuance and servicing of such permits, and supervision and inspection of such openings to proper restoration.

Openings not greater than:

- 50 feet in length.....\$100.00
- 100 feet in length.....\$125.00
- 200 feet in length.....\$150.00
- 400 feet in length..... \$200.00

Over 400 feet in length.....\$300.00, plus \$0.50 cents per additional lineal foot.

An administrative fee of twenty-five (\$25.00) dollars shall be added to the permit fee amount referenced above.

(1971 Code §15-1.5; Ord. No. 99-11 §5; Ord. No. 2009-52 §1; Ord. No. 2015-71)

20-1.6 Road Restoration Fee.

To insure complete restoration of the roadway, a non-refundable road restoration fee shall be provided to the Township at the time the road opening permit is filed. The fee shall be \$250.00 dollars or \$10.00 per square yard, of the proposed final paved trench size, whichever is greater. The amount of the deposit shall be computed by multiplying the final paved trench length in feet by the final paved trench width in feet, divided by nine (9), which produces square yards. No fractions of area will be used. The value shall be rounded up to the nearest square yard. Wherein the actual final paved trench size differs from the proposed final paved trench size by ten (10%) percent or more, the difference shall either be paid to the Township or refunded to the applicant. Where this fee is applicable, no temporary certificate of occupancy or certificate of occupancy shall be granted, unless said fee has been paid.

(1971 Code §15-1.6; Ord. No. 99-11 §6; Ord. No. 2017-71; Ord. No. 2017-56)
