

RE-OPENING OF MUNICIPAL PARKS EFFECTIVE APRIL 30, 2020

Based on Governor Murphy's Executive Order No. 133, Lakewood Township will be re-opening parks and recreation areas. With that, we want to ensure that Lakewood residents can safely enjoy outdoor recreation with reasonable restrictions to limit the spread of COVID-19. By following these restrictions, Lakewood residents can find a safe way to enhance physical and mental health, while maintaining the overall social distancing and mitigation requirements in place to protect the health, safety, and welfare of all residents.
