

Notice of Intent to Award a Contract under the National Joint Powers Alliance (NJPA) Cooperative for Pipeline Inspection Equipment

The Township of Lakewood intends to participate in the NJPA RFP #022014-EVS for Public Utility Pipeline Inspection Equipment and to purchase, through said contract, a RoverX. The purchase is through Envirosight 111 Canfield Avenue Unit B3 Randolph, NJ 07869, the awardee for this NJPA contract.

Information regarding the contract may be found at the Township Municipal Building 231 Third Street Lakewood NJ during regular business hours as well as on-line <https://www.njpacoop.org/cooperative-purchasing/contracts-fleet/public-utility-airport-equipment/022014-evs/> The Township of Lakewood joined the NJPA as of September 3, 2013. The NJPA's contract term with Envirosight is from March 18, 2014 through March 18, 2018.

It is the intent of the Township of Lakewood to make a contract award Envirosight, pursuant to the proposal submitted by Envirosight, Inc. in response to the NJPA's request for proposal.

The Township of Lakewood is permitted to execute National Cooperative purchasing agreements under the authority N.J.S.A. 52:34-6.2.

Comment period ends February 6, 2018.
