Instructions To Bidders And Statutory Requirements

Article 1 – Introduction And General Information

1-1. The Township of Lakewood, 231 Third Street, Lakewood, Ocean County, New Jersey 08701 invites sealed bids pursuant to the Notice to Bidders. All bidders and interested parties are welcome to attend. Be advised that no determination of award will be made at the bid opening.

1-2. The Township of Lakewood is hereinafter referred to as the "Township", The State of New Jersey as the "State" and the County of Ocean as the "County".

1-3. The front part of this Bid Specification is commonly known as the Boilerplate and contains the instructions to bidders and statutory requirements for all bids. The back part of this Bid Specification contains the Detailed Specification and Bid Proposal Sheet written specifically for this bid. Bidders are required to read and comply with both sections. The Detailed Specifications shall take precedents over conflicting requirements stated within the boilerplate but shall not take precedents over any Addendums issued.

1-4. All bidders will receive:

a. the complete Bid Package that will include the Bid Specification and any unattached documents such as drawings, prevailing wage documents samples when necessary and all other documents and materials that can be supplied by the Township. This package shall be completed and retained by the bidder for reference.

b. the Bid Submittal Package to be completed and returned. It contains copies of the required forms found in the Bid Specification; the Detailed Specifications for quick and easy reference during bid preparation; the Exception to Bid Specification Sheet and the Bid Proposal Sheet. These documents need to be completed properly and in their entirety. Failure to do so may subject your bid to immediate rejection.

1-5. The Bid Proposal Sheet must be completed as instructed in the Detailed Specifications. Unless specifically stated otherwise, this is the only form acceptable. Computer printouts or proposals submitted in a manner not specified will be immediately rejected. Bid Proposal Sheets submitted without an original signature will be immediately rejected.

1-6. For your bid to be considered a formal bid, you may be required to submit additional documents not contained in the Submittal Package such as a Bid Bond, Consent of Surety, a copy of your Public Works Contractor Registration and copies of trade licenses or certifications. Any additional forms required will

be stated on the Bidders Checklist, in the Boilerplate and/or in the Detailed Specifications. Bidders are instructed to make a close and careful review of the "DOCUMENT SUBMISSION CHECK LIST" page 4.

1-7. Additionally there may be other documents required after the formal award of the bid such as Insurance Certificates and Affirmative Action Forms.

1-8. Under advisement of the Department of Community Affairs, Division of Local Government Services and the opinion of the Township Attorney, the Township does not give out the names of the bidders or the estimated cost of any project currently being bid, that has not yet been formally opened and read.

1-9. There is no refund for any fees charged for these specifications if the Township awards a contract. If no award is made the bidder may, with the return of the original bid documents in reasonably good condition, receive the specifications for the rebid free of charge. There is no refund if the bidder chooses not to rebid. If there is no re-bid, the bidder is entitled to a refund with the return of the specifications in reasonably good condition within 90 days of formal council action and in accordance with Township practices.

Article 2 - Submission Of Bids

2-1. Sealed bids shall be received by the contracting unit, hereinafter referred to as "Township," in accordance with public advertisement as required by law, with a copy of said notice being attached hereto and made a part of these specifications.

2-2. Sealed bids will be received by the designated representative as stated in the Notice to Bidders, and at such time and place will be publicly opened and read aloud.

2-3. The bid shall be submitted in a sealed envelope: (1) addressed to Yehuda Abraham, Purchasing Agent, 231 Third Street, Lakewood, New Jersey 08701, (2) bearing the name and address of the bidder written on the face of the envelope, and (3) clearly marked "BID" with the contract title and/or bid # being bid.

2-4. It is the bidder's responsibility that bids are presented to the Township at the time and at the place designated. Bids may be hand delivered or mailed; however, the Township disclaims any responsibility for bids forwarded by regular or overnight mail. If the bid is sent by express mail service, the designation in subsection 2-3 above must also appear on the outside of the express mail envelope. Bids received after the designated time and date will be returned unopened. Even with a delivery service, it is strongly recommended that the

bidder call the Township Purchaser's office well in advance of the opening to ensure that the bid is in their possession.

2-5. Sealed bids forwarded to the Township before the time of opening of bids may be withdrawn upon written application of the bidder who shall be required to produce evidence showing that the individual is or represents the principal or principals involved in the bid. Once bids have been opened, they shall remain firm for a period of sixty (60) calendar days.

2-6. All prices and amounts must be written in ink or preferably machine-printed. Bids containing any conditions, omissions, unexplained erasures or alterations, items not called for in the bid proposal form, attachment of additive information not required by the specifications, or irregularities of any kind, may be rejected by the Township. Any changes, whiteouts, strikeouts, etc. in the bid must be initialed in ink by the person signing the bid.

2-7. Each bid proposal form must give the full business address, business phone, fax, e-mail if available, the contact person of the bidder, and be signed by an authorized representative as follows:

a) Bids by partnerships must furnish the full name of all partners and must be signed in the partnership name by one of the members of the partnership or by an authorized representative, followed by the signature and designation of the person signing.

b) Bids by corporations must be signed in the legal name of the corporation, followed by the name of the State in which incorporated and must contain the signature and designation of the president, secretary or other person authorized to bind the corporation in the matter.

c) Bids by sole-proprietorship shall be signed by the proprietor.

d) When requested, satisfactory evidence of the authority of the officer signing shall be furnished.

2-8. Bidder should be aware of the following statutes that represent "Truth in Contracting" laws:

a) N.J.S.A. 2C:21-34, et seq. governs false claims and representations by bidders. It is a serious crime for the bidder to knowingly submit a false claim and/or knowingly make material misrepresentation.

b) N.J.S.A. 2C:27-10 provides that a person commits a crime if said person offers a benefit to a public servant for an official act performed or to be performed by a public servant, which is a violation of official duty.

c) N.J.S.A. 2C:27-11 provides that a bidder commits a crime if said person, directly or indirectly, confers or agrees to confer any benefit not allowed by law to a public servant.

d) Bidder should consult the statutes or legal counsel for further information.

Article 3 - Pricing Information For Preparation Of Bids

3-1. The Township is exempt from local, state and federal sales, use or excise tax.

3-2. Estimated Quantities (Open-End Contracts): The Township has attempted to identify the item(s) and the estimated amounts of each item bid to cover its requirements; however, past experience shows that the amount ordered may be different than that submitted for bidding. The right is reserved to decrease or increase the quantities specified in the specifications pursuant to N.J.A.C.5:30-11.2 and 11.10. No minimum purchase by quantity or dollar amount, either by individual order or total contract value is expressed, implied or guaranteed.

3-3. Contractor shall be responsible for obtaining any applicable permits or licenses from any government entity that has jurisdiction to require the same. All bids submitted shall have included this cost.

3-4. Bidders shall insert prices for furnishing goods and services required by these specifications. Prices shall be net, including but not limited to any charges for packing, crating, containers, shipping and handling, freight, insurance, late payment fees, restocking fees, surcharges including fuel surcharge, and any and all charges not specifically mentioned. All transportation charges shall be fully prepaid by the contractor, **F.O.B. destination** and placement at locations specified by the Township. As specified, placement may require inside deliveries. No additional charges will be allowed for any transportation costs resulting from partial shipments made for the contractor's convenience. The Township will only pay for those items listed on the Bid Proposal Page at the prices awarded.

Article 4 - Brand Names, Standards Of Quality And Performance

4-1. Brand names and/or descriptions used in these specifications are to acquaint bidders with the types of goods and services desired and will be used as a standard by which goods and services offered as equivalent will be evaluated.

4-2. Variations between the goods and services described and the goods and services offered are to be fully identified and described by the bidder on a separate sheet and submitted with the bid proposal form. Vendor literature WILL NOT suffice in explaining exceptions to these specifications. In the absence of any exceptions by the bidder, it will be presumed and required that the goods and services as described in the bid specification be provided or performed.

4-3. It is the responsibility of the bidder to document and/or demonstrate the equivalency of the goods and services offered. The Township reserves the right to evaluate the equivalency of the goods and services.

4-4. In submitting its bid, the bidder certifies that the goods and services to be furnished will not infringe upon any valid patent or trademark and that the successful bidder shall, at its own expense, defend any and all actions or suits charging such infringement, and will hold the Township harmless from any damages resulting from such infringement.

4-5. Only manufactured and farm products of the United States, wherever available, shall be used pursuant to N.J.S.A. 40A:11-18.

Article 5 - Interpretation And Addenda

5-1. The bidder understands and agrees that its bid is submitted on the basis of the specifications prepared by the Township. The bidder accepts the obligation to become familiar with these specifications.

5-2. Bidders are expected to examine the specifications and related bid documents with care and observe all their requirements. Ambiguities, errors or omissions noted by bidders should be promptly reported in writing to the appropriate official. Any prospective bidder who wishes to challenge a bid specification shall file such challenges in writing with the contracting agent no less than three business days prior to the opening of the bids. Challenges filed after that time shall be considered void and having no impact on the contracting unit or the award of a contract pursuant to N.J.S.A. 40A:11-13. In the event the bidder fails to notify the Township of such ambiguities, errors or omissions, the bidder shall be bound by the requirements of the specifications and the bidder's submitted bid.

5.3 As you read, list your questions in order referencing the page number and line item. Then direct those questions and concerns to the Purchasing Office at 231 Third Street, Lakewood, New Jersey 08701, by e-mail yabraham@lakewoodnj.gov or fax to 732 994 4562 during normal weekdays between 9:00 a.m. and 5:00 p.m. Any questions that cannot be answered with the information already provided in the bid package will be shared with all bidders and answered through an addendum. All questions must be received at least seven (7) business days prior to the date fixed for the opening of the bid for goods and services.

5-3. All interpretations, clarifications and any supplemental instructions will be in the form of written addenda to the specifications, and will be distributed to all prospective bidders. All addenda so issued shall become part of the

specification and bid documents, and shall be acknowledged by the bidder in the bid. The Township's interpretations or corrections thereof shall be final.

5-4. When issuing an addenda, the Township shall provide required notice prior to the official receipt of bids to any person who has submitted a bid or who has received a bid package pursuant to N.J.S.A. 40A:11-23c.1.

5-5. Discrepancies in Bids:

a) If the amount shown in words and its equivalent in figures do not agree, the written words shall be binding. Ditto marks are not considered writing or printing and shall not be used.

b) In the event that there is a discrepancy between the unit prices and the extended totals, the unit prices shall prevail. In the event there is an error of the summation of the extended totals, the computation by the Township of the extended totals shall govern.

5-6. If stated in the Notice to Bidders and/or the Detailed Specifications, a pre-bid conference for this proposal will be held on the date, time and place stated. Attendance is not mandatory, but is strongly recommended. Failure to attend does not relieve the bidder of any obligations or requirements.

Article 6 - Exceptions To Specifications

6-1. The bidder shall understand that all requirements within these specifications shall be provided as written unless the bidder has taken a specific exception.

6-2. Exceptions must be formally accepted by the Township.

6-3. Bidders are reminded that taking an "Exception" does not automatically indicate that the bidder's proposal is "not equal". Each exception shall be evaluated on its own merit based on the information supplied by the bidder.

6-4. Areas to be considered as exceptions include but are not limited to the bidder's inability or unwillingness to comply with any requirement stated in the complete bid package; or perform exactly as written; or to acquire the necessary required documents; or provide the goods or services exactly as specified or exceeds a specified measurement.

6-5. Any and all exceptions taken to these specifications must be listed on the "Exceptions to Specifications" sheet. One copy is included with the submittal package. Bidders are to reproduce this sheet as necessary and shall attach them to and submit with his bid proposal.

See Appendix Page A9

This form is also included in the bid submittal package.

6-6. Exceptions are to be listed in the order taken, clearly identifying the requirement or equipment, and fully and completely stating the exception.

6-7. Any and all documentation supporting the exceptions must be included with the bid proposal package in accordance with Article 4 - Brand Names, Standards Of Quality And Performance for evaluation purposes.

6-8. If discrepancies are found during the evaluation process between what is specified and what is offered by the bidder, the Township may reject the bid as informal and noncompliant.

6-9. Failure to provide the material described will subject any Bonds held by the Township to forfeiture, or the Township may deduct and retain out of the monies due, or which may become due such sum as shall be sufficient to pay the difference between the prices on which the award is made and the prices which the Township may or shall be obliged to pay to procure such supplies from other parties, or as further defined in the Detail Specifications.

The following items 7-1 through 7-5 are only required when stated in the Notice to Bidders and/or the Detailed Specifications. Review the Bidders Checklist to see if the Bid Guarantee and Consent of Surety is required at the time of the bid submittal.

Article 7 - Bid Security And Bonding Requirements

7-1. Bid Guarantee:

The Bidder shall submit with the bid a certified check, cashier's check or bid bond in the amount of ten percent (10%) of the total price bid, but not in excess of \$20,000, payable unconditionally to the Township. When submitting a Bid Bond, it shall contain Power of Attorney for full amount of Bid Bond from a Surety Company authorized to do business in the State of New Jersey and acceptable to the Township. The check or bond of the unsuccessful bidder(s) shall be returned pursuant to N.J.S.A. 40A:11-24a. The check or bond of the bidder to whom the contract is awarded shall be retained until a contract is executed and the required performance bond or other security is submitted. The check or bond of the successful bidder shall be forfeited if the bidder fails to enter into a contract pursuant to N.J.S.A. 40A:11-21.

Failure to submit a Bid Guarantee when required shall result in rejection of the bid.

7-2. Consent Of Surety:

Bidder shall submit with the bid a Certificate (Consent of Surety) with Power of Attorney for full amount of bid price from a Surety Company authorized to do business in the State of New Jersey and acceptable to the Township stating that it will provide said bidder with a Performance Bond in the full amount of the bid.

This certificate shall be obtained in order to confirm that the bidder to whom the contract is awarded will furnish Performance and Payment Bonds from an acceptable Surety Company on behalf of said bidder, any or all subcontractors or by each respective subcontractor or by any combination thereof which results in performance security equal to the total amount of the contract, pursuant to N.J.S.A. 40A:11-22. A Surety Disclosure Statement and Certification substantially in the form required in N.J.S.A. 2a:44-143.d. shall be included.

Failure to submit Consent Of Surety form when required shall result in rejection of the bid.

7-3. Performance Bond

Bidder shall simultaneously with the delivery of the executed contract, submit an executed bond in the amount of one hundred percent (100%) of the acceptable bid as security for the faithful performance of this contract. The Performance Bond provided shall not be released until final acceptance of the whole work and then only if any liens or claims have been satisfied. The Surety on such bond or bonds shall be a duly authorized Surety Company authorized to do business in the State of New Jersey pursuant to N.J.S.A. 17:31-5.

Failure to submit this with the executed contract when required shall be cause for declaring the contract null and void pursuant to N.J.S.A. 40A:11-22.

7-4. Labor And Material (Payment) Bond

When required the Bidder shall with the delivery of the Performance Bond submit an executed Payment Bond to guarantee payment to laborers and suppliers for the labor and material used in the work performed under the contract.

Failure to submit a Labor and Material Bond with the Performance Bond when required shall be cause for declaring the contract null and void.

7-5. Maintenance Bond:

Upon acceptance of the work by the Township, the contractor shall submit a Maintenance Bond (N.J.S.A. 40A:11-16.3) in an amount not to exceed ____% of the project costs guaranteeing against defective quality of work or materials for the period of:

- ____ 1 year
- ____ 2 years

Article 8 - Statutory And Other Requirements

8-1. Affirmative Action Certification

If awarded your company/firm will be required to comply with the requirements of N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27-1 et seq. The Township must retain the Affirmative Action evidence in their files for review by the Division. The following information summarizes the full, required, regulatory text.

- a) For goods and service contracts including professional services contracts, each contractor shall submit to the Township, after notification of award but

prior to execution of a goods and services contract, one of the following three documents:

- i. Letter of Federal Approval indicating that the vendor is under an existing Federally approved or sanctioned affirmative action program. A copy of the approval letter is to be provided by the vendor to the Township and the Division of Purchase & Property, CCAU, EEO Monitoring Program (for this section the Division). This approval letter is valid for one year from the date of issuance); or
 - ii. A Certificate of Employee Information Report (for this section "Certificate"), issued in accordance with N.J.A.C. 17:27-1.1 et seq. The vendor must provide a copy of the Certificate to the Township as evidence of its compliance with the regulations. The Certificate represents the review and approval of the vendor's Employee Information Report, Form AA-302 by the Division. The period of validity of the Certificate is indicated on its face. Certificates must be renewed prior to their expiration date in order to remain valid. or
 - iii. The successful vendor shall complete an Initial Employee Report, Form AA-302 and submit it to the Division with the appropriate fee and forward a copy of the Form to the Township. Upon submission and review by the Division, this report shall constitute evidence of compliance with the regulations. The Form is provided by the Township when applicable and does not have to be completed and returned with the bid package.
- b) For maintenance/construction contracts, after notification of award, but prior to signing a construction contract, the construction contractor(s) shall complete and submit:
- i. an Initial Project Workforce Report Form AA-201 provided by the Township upon notification of award. Proper completion and submission of this report shall constitute evidence of the contractor's compliance with the regulations. Failure to submit this form may result in the contract being terminated.
 - ii. The contractor also agrees to submit a copy of the Monthly Project Workforce Report Form AA-202 once a month thereafter for the duration of the contract to the Division and to the Township compliance officer. The form can be accessed on the Division's web page.

The Contractor also agrees to cooperate with the Township in the payment of budgeted funds, as is necessary, for on-the-job and/or off-the-job programs for outreach and training of minorities and women.

**See Appendix; A10 Exhibit A Mandatory Language; Page A12 Notice/Evidence
The Language & Evidence forms are also included in the bid submittal package**

8-2. Americans With Disabilities Act Of 1990

Discrimination on the basis of disability in contracting for the purchase of goods and services is prohibited. Bidders are required to read the Americans With Disabilities language, agree to the provisions of Title II of the Act, and are hereby made a part of the contract. The contractor is obligated to comply with the Act and to hold the Township harmless.

See Appendix Page A13

This form with the language content is included in the bid submittal package

8-3. Stockholder Disclosure

N.J.S.A. 52:25-24.2 provides that no corporation or partnership shall be awarded any contract for the performance of any work or the furnishing of any goods and services, unless, prior to the receipt of the bid or accompanying the bid such disclosure of said corporation or partnership is submitted. Bidders shall submit a statement setting forth the names and addresses of all stockholders in the corporation or partnership who own ten percent or more of its stock of any class, or of all individual partners in the partnership who own a ten percent or greater interest therein. The Statement of Ownership shall be completed and attached to the bid proposal. This requirement applies to all forms of corporations and partnerships, including, but not limited to, limited partnerships, limited liability corporations, limited liability partnerships and Subchapter S corporations.

See Appendix Page A15.

This form is also included in the bid submittal package.

Failure to submit a stockholder disclosure document with the bid proposal shall result in a mandatory rejection of the entire bid.

8-4. Acknowledgement Of Changes To Bid Specifications

An Acknowledgement Of Changes To Bid Specifications Form is required for prevailing wage bids for work on real property that are in excess of the amount set forth in N.J.S.A. 40A:11-3 or as calculated by the Governor pursuant to Section 3 of P.L. 1971, c198 and is deemed mandatory pursuant to N.J.S.A. 40A:11-23(1)(a). This acknowledgement has also been deemed mandatory for all other bids pursuant to N.J.S.A. 40A:11-23.2.e.

See Appendix Page A16

This form is also included in the bid submittal package.

Failure to submit the Acknowledgement Of Changes To Bid Specifications document with the bid proposal shall result in a mandatory rejection of the entire bid.

8-5. Non-Collusion Affidavit

A Non-Collusion Affidavit affirming that the bidder has not, directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken

any action in restraint of free, competitive bidding for this bid shall be properly executed, attested by a Notary Public and submitted with the bid proposal.

See Appendix Page A17

This form is also included in the bid submittal package.

8-6. Contract Administrator and Subcontractors

Bidders shall declare which corporate officials will personally administrate this contract if awarded. The contract Administrator will be the primary contact. The Superintendent shall be next contact up the corporate ladder should problems be encountered that cannot be resolved. The bidder shall also state any subcontractors he intends to use and provide all documentation related to subcontractors stated in these specifications.

See Appendix Page A18

This form is also included in the bid submittal package.

8-7. Proof Of Business Registration

P.L. 2009, c315 has repealed the requirement of N.J.S.A. 52:32-44 that required each bidder (contractor) to submit proof of business registration with the bid proposal or be rejected as a fatal flaw. Proof of registration is still required and must be in the possession of the bidder prior to the receipt of bids but may now be submitted prior to the award of the contract. Proof of registration shall be a copy of the bidder's Business Registration Certificate (BRC). The Township reserves the right to require a copy of the registration certificate with the bid proposal as proof of possession of registration at the time of the receipt of bids and to the expediency of awarding a contract. Visit the New Jersey Division of Revenue web page at www.nj.gov/treasury/revenue/busregcert.shtml for further information on obtaining a BRC. A link to the application form at can be found at www.nj.gov/njbgs. The following BRC requirements are still applicable:

a) N.J.S.A. 52:32-44 imposes the following requirements on contractors and all subcontractors that knowingly provide goods or perform services for a contractor fulfilling this contract:

i. The contractor shall provide written notice to its subcontractors and suppliers to submit proof of business registration to the contractor;

ii. Prior to receipt of final payment from a contracting agency, a contractor must submit to the contacting agency an accurate list of all subcontractors or attest that none was used;

iii. During the term of this contract, the contractor and its affiliates shall collect and remit, and shall notify all subcontractors and their affiliates that they must collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act, (N.J.S.A. 54:32B-1 et seq.) on all sales of tangible personal property delivered into this State.

b) A contractor, subcontractor or supplier who fails to provide proof of business registration or provides false business registration information shall be liable to a penalty of \$25 for each day of violation, not to exceed \$50,000 for each business registration not properly provided or maintained under a contract with a contracting agency.

See Appendix Page A1 Language; Page A2 Acceptable Certificate Samples
Failure to submit a copy of the Business Registration Certificate with a date prior to the bid submittal date shall result in a mandatory rejection of the entire bid.

NOTE: Only when applicable are the following items, 8-8, 8-9 and 8-10 mandatory requirements of the bid proposal and contract. They will be stated in the Notice to Bidders and/or the Detailed Specifications. Review the Bidders Checklist to see a copy of the Public Works Contractor Registration Certificate is required at the time of the bid submittal.

8-8. New Jersey Worker And Community Right To Know Act

The manufacturer or supplier of chemical substances or mixtures shall label them in accordance with the N.J. Worker and Community Right to Know Law (N.J.S.A. 34:51 et seq., and N.J.A.C. 5:89-5 et seq.). Containers that the law and rules require to be labeled shall show the Chemical Abstracts Service number of all the components and the chemical name. All applicable Material Safety Data Sheets (MSDS) - hazardous substance fact sheet - must be furnished at delivery.

8-9. Prevailing Wage Act

Pursuant to N.J.S.A. 34:11-56.25 et seq. all contractors on projects for public work shall adhere to all requirements of the New Jersey Prevailing Wage Act. The following apply to the Act and this contract when applicable:

a) The contractor shall be required to submit a certified payroll record to the Township within ten (10) days of the payment of the wages.

b) It is the contractor's responsibility to obtain and submit all subcontractors' certified payroll records within the aforementioned time period.

c) The contractor shall submit said certified payrolls in the form set forth in N.J.A.C. 12:60-6.1(c).

d) It is the contractor's responsibility to obtain any additional copies of the certified payroll form to be submitted by contacting the New Jersey Department of Labor and Workforce Development, Division of Workplace Standards.

e) The Department of Labor may from time to time during the term of the contract make changes in the Prevailing Wage Rate. The Township **will not**

amend or authorize any rate increase for that craft. The Contractor however will still be responsible to his employees for the rate increase.

8-10. The Public Works Contractor Registration Act

N.J.S.A. 34:11-56.48 et seq. requires that a general or prime contractor and any listed subcontractors named in the contractor's bid proposal shall possess a certificate at the time the bid proposal is submitted. The Township reserves the right to require a copy of the registration certificate with the bid proposal as proof of possession of registration at the time of the receipt of bids and to the expediency of awarding a contract. N.J.S.A.34:11-56.55 specifically prohibits accepting applications for registration as a substitute. To register, bidders shall complete an application form and submit it to the Department of Labor. The form is available at http://lwd.dol.state.nj.us/labor/forms_pdfs/lse/lse-2.pdf and can be submitted online. There is a fee involved and a 30 day processing time. The following additional requirements apply:

a) The following definitions under the Act apply:

i. Under the law a "contractor" is "a person, partnership, association, joint stock company, trust, corporation or other legal business entity or successor thereof who enters into a contract" which is subject to the provisions of the New Jersey Prevailing Wage Act [N.J.S.A.34:11-56.25, et seq.] It applies to contractors based in New Jersey or in another state.

ii. The law defines "public works projects" as contracts for "public work" as defined in the Prevailing Wage statute [N.J.S.A. 34:11-56.26(5)]. The term means:

1) "Construction, reconstruction, demolition, alteration, or repair work, or maintenance work, including painting and decorating, done under contract and paid for in whole or in part out of the funds of a public body, except work performed under a rehabilitation program.

2) "Public work" shall also mean construction, reconstruction, demolition, alteration, or repair work, done on any property or premises, whether or not the work is paid for from public funds..."

3) "Maintenance work" means the repair of existing facilities when the size, type or extent of such facilities is not thereby changed or increased. While "maintenance" includes painting and decorating and is covered under the law, it does not include work such as routine landscape maintenance or janitorial services.

b) After bid proposals are received and prior to award of contract, the successful contractor shall submit a copy of the contractor's certification

along with those of all listed subcontractors. All non-listed subcontractors and lower tier sub-subcontractors shall be registered prior to starting work on the project. It is the general contractor's responsibility that all non-listed subcontractors at any tier have their certificate prior to starting work on the job.

See Appendix Page A3.

Failure of the bidder, when required, to submit a copy of his Public Works Contractor Registration Certificate and those of all subcontractors, with dates valid prior to the bid submittal date, shall result in a mandatory rejection of the entire bid.

Article 9 - Insurance And Indemnification

9-1. All insurance requirements apply to both the awarded contractor and all subcontractors. The Township of Brick must be listed on all forms as an additional insured except for Workman's Compensation Policies. All insurance forms must be submitted with the signed contracts.

9-2. All coverage shall be with AM Best's rated A or better Insurance Companies only authorized to do business in the State of New Jersey. As evidence of such authorization, the contractor shall submit with the insurance documents a copy of the Certificate of Authority for each named provider.

9-3. All insurance submitted by the awarded contractor is subject to approval by the Township and must remain in full force for the duration of the contract. The contractor shall not take any action under this contract until such approval is given by the Township.

9-4. No acceptance and/or approval of any insurance by the Township shall be construed as relieving or excusing the Contractor or the contractor's surety from any liability or obligation imposed upon either or both of them by the provisions of this contract.

9-5. All insurance policies subject to cancellation, non-renewal, or material reduction in coverage shall be endorsed to provide written notice to the Township no less than 30 days prior. The phrases "endeavor to" and "...but failure to mail such notice shall impose no obligation or liability of any kind upon the insurer, its agents or representatives" are to be eliminated from the cancellation provision of standard ACORD certificates of insurance.

9-6. The contractor must disclose any policy or coverage with deductibles of \$5,000.00 or more.

9-7. The dollar amounts listed are *minimum* limits. These limits and all insurance requirements stated in this section are subject to any additions, deletions or revisions stated in the Detailed Specifications.

a) Commercial General Liability Insurance or its equivalent for bodily injury, personal injury and property damage including loss of use with the minimum limits of:

- I. \$1,000,000 each occurrence
- II. \$ 300,000 damage to property
- III. \$1,000,000 personal and advertising injury
- IV. \$1,000,000 general aggregate
- V. \$1,000,000 products/completed operation

b) Business Auto Liability Insurance or its equivalent with a minimum limit of \$500,000 per person, per accident, property damage and includes coverage for all of the following:

- i liability arising out of the ownership, maintenance or use of any auto
- ii Auto non-ownership and hired car coverage
- iii Uninsured/Underinsured motorist coverage at a limit no less than statutory limits

c) Excess/Umbrella Insurance or its equivalent with minimum limits of:

- i \$1,000,000 per occurrence
- ii \$1,000,000 aggregate for other than products/completed operations and auto liability
- iii \$1,000,000 products/completed operations aggregate

d) Workers Compensation Insurance or its equivalent with statutory benefits as required by any state or Federal law:

- i \$500,000 each accident for bodily injury by accident
- ii \$500,000 each employee for bodily injury by disease
- iii \$500,000 policy limit for bodily injury by disease

9-8. Bidder shall indemnify and hold harmless the Township, the Mayor, Council, Business Administrator, employees and professionals under contract harmless from and against all claims, suits or actions, and damages or costs of every name and description to which the Township may be subjected or put by reason of injury to the person or property of another, or the property of the Township, resulting from negligent acts or omissions on the part of the contractor, the contractor's agents, servants or subcontractors in the delivery of goods and services, or in the performance of the work under the contract.

See Appendix Pages A4 Certificate Of Insurance, A5 Certificate Of Authority

Article 10 - Causes For Rejecting Bids

10-1. All bids may be rejected for any of the following reasons pursuant to N.J.S.A. 40A:11-13.2;

- a) The lowest bid substantially exceeds the cost estimates for the goods or services;

- b) The lowest bid substantially exceeds the Township's appropriation for the goods or services;
- c) The Township Committee decides to abandon the project for provision or performance of the goods or services;
- d) The Township wants to substantially revise the specifications for the goods or services;
- e) The purposes or provisions or both of P.L.1971, c.198 (C.40A:11-1 et seq.) are being violated;
- f) The Township Committee decides to use the State authorized contract pursuant to section 12 of P.L.1971, c.198 (C.40A:11-12).

10-2. If more than one bid is received from an individual, firm or partnership, corporation or association under the same name.

10-3. Multiple bids from an agent representing competing bidders.

10-4. The bid is inappropriately unbalanced.

10-5. The Township had a prior negative experience with the bidder pursuant to N.J.S.A. 40A:11-4(b).

10-6. If the successful bidder fails to enter into a contract within 21 days, Sundays and holidays excepted, or as otherwise agreed upon by the parties to the contract. In this case at its option, the Township may accept the bid of the next lowest responsible bidder. (N.J.S.A. 40A:11-24b).

10-7. The Township reserves the right to reject any or all bids in whole or in part, to make awards item by item, by parts or in bulk, to waive minor defects in any non-statutory required document, to cancel the contract at any time the foregoing conditions are not complied with or for any good and sufficient reason, if deemed in the best interest of the Township to do so.

Article 11 - Method Of Award And Contract

11-1. If the award is to be made on the basis of a base bid only, it shall be made to that responsive and responsible bidder submitting the lowest base bid.

11-2. If the award is to be made on the basis of a combination of a base bid with selected options, it shall be made to that responsible bidder submitting the lowest bid in accordance with the requirements stated in the Detailed Specifications.

11-3. The Township may also elect to award the contract on the basis of unit prices in which case multiple bidders may be awarded.

11-4. All awards for time and material bids will take into consideration both the labor cost and the material cost. All bid prices will be adjusted to reflect one hour labor and a given price on parts to be adjusted according to the basis of award outlined in the Detailed Specifications.

11-5. All tie bids will be awarded at the Townships discretion as authorized and in accordance with N.J.S.A. 40A:11-6.1(d).

11-6. All contracts are conditional upon the contractors' compliance with all State, County, and Local laws, rules, regulations and ordinances. compliance with all the terms of this agreement; ability to secure and maintain all required licenses, certifications, permits and other related documents necessary to perform under this contract and the acceptance of the required insurance documents.

11-7. Pursuant to requirements of N.J.A.C. 5:30-5.1 et seq., any contract resulting from this bid shall be subject to the availability and appropriation of sufficient funds annually as well as union agreements, cooperative contract awards, changes in State laws and regulations, market conditions, the contractors performance and if deemed in the best interest of the Township.

11-8. No less than three copies of the AGREEMENT shall be submitted by the Township to the successful bidder along with a Notice of Award, Resolution of Award and any additional required documents and instructions. Terms of the specifications/bid package along with any addendums, attachments and all other documents submitted, accepted and awarded shall be annexed the signed contracts. Bidder exceptions must be formally accepted by the Township.

11-9. Failure to provide any of the required documents stated in the notice of award with the signed contracts by the time indicated or failure to maintain the required documents during the term of the contract shall constitute a breach thereof and subject to immediate forfeiture of the contract.

11-10. The duration of the contract shall be stated in the Detailed Specifications. If no dates are stated, the contract shall run the minimum time authorized by N.J.S.A. 40A:11-15 beginning on the day after formal award by the Township Committee or upon the conclusion of any current contract due to expire for the identical goods or service.

11-11. The Township reserves the right to extend contracts in accordance with N.J.S.A.40A:11-15. Types of contracts may include any of the following:

a) a one (1) time contract to expire at the completion of the service or delivery of goods.

b) a single multiyear contract (minimum of two (2) years or as otherwise provided for in N.J.S.A.40A:11-15) which may or may not be rebid at its conclusion.

c) a multiyear contract with individual one year contracts to be renewed annually.

11-12. The prices and discounts awarded shall remain firm fixed for the duration of the contract except for those commodities specifically identified and authorized by the State due to a volatile price market and stated as such in the Detailed Specifications, provided that the Detailed Specifications also include a formula for the adjustments that are clearly and explicitly outlined.

11-13. On multiple year contracts the Township reserves the right to cancel the contract at the conclusion of any contract year and re-bid for such goods and services.

See Appendix Page A6 AGREEMENT

Article 12: Placement Of Orders

12-1. All orders will be placed by authorized personnel from the Department of Public Works.

12-2. Absolutely no orders will be processed or given to any Township employee by the contractor without a purchase order first being issued. That confirmation will be the purchase order number being assigned to that order. It is the contractor's responsibility to contact the Purchasing Department if there is any doubt or concern the order received is authorized.

12-3. The Township will make every effort to place minimum orders as outlined in the Detailed Specifications but will not be held to any minimum purchase either by quantity or dollar amount for any single order or total contract.

12-4. At the time of the placement of the order the contractor must notify the Township if any item will be backordered and the estimated time for its delivery.

Article 13 - Delivery

13-1. All deliveries shall be **F.O.B. destination**.

13-2. All deliveries shall be made Monday through Friday excluding Township observed holidays between the hours of 9:00 a.m. and 5:00 p.m. or as otherwise directed.

13-3. All deliveries must be accompanied with a packing slip showing at minimum, the purchase order number, and for each item delivered the item description or part number and the quantity shipped.

13-4. All delivery slips must be signed by a Township employee authorized to accept shipments. A copy of the delivery slip must be retained by the Township.

13-5. All deliveries must be placed in the building or at a location to be determined at the time of the placement of the order or as required at the delivery site.

13-6. Delivery personnel should be aware that Township employees have pre-assigned duties and may not be available to assist the delivery person with the unloading of any order. Additionally there may not be any Township equipment available to assist in the unloading.

13-7. All packages, etc., when delivered must be plainly marked on the outside as to material, contents and our purchase order number. Failure to comply with this request will constitute proper reason for return of goods at bidder's expense.

13-8. Delivery of all items must be made according to the time set in the Detailed Specifications, unless a written request has been made for an extension of time to the Township, and a written permission has been granted.

13-9. If the person or firm to whom an award is made shall fail to furnish and deliver the supplies and/or equipment within the time specified, the Township may deduct and retain out of the monies due, or which may become due to such person or firm from the Township such sum as shall be sufficient to pay the difference between the prices on which the award is made and the prices which the Township may or shall be obliged to pay to procure such supplies from other parties, or as further defined in the Detail Specifications.

Article 14 - Returns

14-1. All costs and arrangements for making returns will be the responsibility of the contractor.

14-2. All returns must be picked up within 48 hours of notification.

14-3. Pick up slips are required for all returns and must be signed by an authorized Township employee. A copy of the signed slip must be retained by the Township.

Article 15 - Warranty

15-1. The contractor shall guarantee any or all goods and services supplied under these specifications. Defective or inferior goods shall be replaced at the expense of the contractor. The contractor will be responsible for return freight or restocking charges.

15-2. The successful bidder shall guarantee all materials furnished or purchased under these specifications in accordance with the manufacturers standard warranty but in no case less than ninety (90) days all parts and labor or as otherwise defined in the Detailed Specifications.

15-3. The successful bidder shall guarantee all labor and/or services provided for not less than ninety (90) days or as defined in the Detailed Specifications.

15-4. Defective or inferior items shall be replaced at the expense of the vendor. In case of rejected materials, the vendor will be responsible for return freight charges.

Article 16 - Payment

16-1. Payment will be made in accordance with the Township's policy and procedures, Purchase Orders must be issued, all orders, shipments and/or services must be complete, invoices and credit slips must be received and in agreement with the voucher, formal acceptance must be received by the department head of the using department prior to placement on a Bill Resolution.

16-2. Please review Article 3 Pricing Information For Preparation Of Bids for a list of charges not applicable to this bid.

16-3. Invoices and credit slips submitted must list the assigned purchase order number, the item description, quantity delivered, unit price as awarded and the extended amount. Only one Purchase Order Number per invoice, credit slip and packing slip. The Township does not process vouchers from monthly statements.

16-4. All vouchers must be placed on a Bill Resolution to be approved for payment at a formal council meeting. Only complete, properly prepared vouchers with all the above documentation can be placed on the Bill Resolution.

Article 17 - Termination Of Contract

17-1. If, through any cause, the contractor shall fail to fulfill in a timely and proper manner obligations under the contract or if the contractor shall violate any of the requirements of the contract, the Township shall there upon have the right to terminate the contract by giving written notice to the contractor of such termination and specifying the effective date of termination. Such termination shall relieve the Township of any obligation for balances to the contractor of any sum or sums set forth in the contract. Township will pay only for goods and services accepted prior to termination.

17-2. All contract violations will be documented and filed. A written notification will be submitted to the contractor and the contractor will be given an opportunity to respond in writing to the allegations.

17-3. Any contractor whose contract has been terminated for failing to perform, refusal to perform or failure to perform to the satisfaction or expectations of the Township could be barred from being awarded future Township bids under the guidelines of prior negative experience for a period of five (5) years.

17-4. Prior to any new award the contractor will be required to submit evidence that corrective measures are in place to prevent a reoccurrence of the past negative performance

17-5. Notwithstanding the above, the contractor shall not be relieved of liability to the Township for damages sustained by the Township by virtue of any breach of the contract by the contractor and the Township may withhold any payments to the contractor for the purpose of compensation until such time as the exact amount of the damage due the Township from the contractor is determined.

17-6. The contractor agrees to indemnify and hold the Township harmless from any liability to subcontractors/suppliers concerning payment for work performed or goods supplied arising out of the lawful termination of the contract by the Township under this provision.

17-7. In case of default by the contractor, the Township may procure the goods or services from other sources and hold the contractor responsible for any excess cost.

17-8. Continuation of the terms of the contract beyond the fiscal year is contingent on availability of funds in the following year's budget. In the event of unavailability of such funds, the Township reserves the right to cancel the contract.

17-9. It is understood by all parties that if, during the life of the contract, the contractor disposes of his/her business concern by acquisition, merger, sale and or/transfer or by any means conveys his/her interest(s) to another party, all obligations are transferred to that new party. In this event, the new owner(s) will be required to submit all documentation/legal instruments that were required in the original bid/contract. Any change shall be approved by the Township.

17-10. The contractor will not assign any interest in the contract and shall not transfer any interest in the same without the prior written consent of the Township.

17-11. The Township may terminate the contract for convenience by providing sixty (60) calendar days advanced notice to the contractor. The decision to cancel does not preclude the Township from rebidding such goods and/or services.

Article 18. Open Public Records Act (OPRA)

18-1. The Township makes available for public inspection the bid of each bidder immediately following the closure of all bids taken during that session. Bidders must take the responsibility to protect themselves, their company, the owners and employees by becoming familiar with the exemptions to the Open Public Records Act listed in N.J.S.A. 47:1A-1 et seq. and properly alert the Township that such documents are enclosed in the bid package.

18-2. Bidders submitting documents that fall into any of the exceptions to O.P.R.A. shall conceal such documents in a separate envelope within his bid package and clearly mark on the outside of the envelope, the bidder name, bid number and/or title of bid, and boldly marked "**DOCUMENTS EXEMPT FROM O.P.R.A.**".

18-3. The Township shall open such envelope prior to the public inspection to ensure the documents are in fact exempt and to ensure the documents have in fact been submitted at the time of the bid when required to be submitted as stated in the bid specifications and listed on the bid checklist.

18-4. Should the Purchasing Agent or his duly recognized representative conducting the bid opening determine that a document is not exempt from O.P.R.A., that document shall immediately become available for public

inspection. Any document that is deemed questionable shall be considered exempt until such time a positive determination can be made.

IMPORTANT NOTICE

New Jersey state regulations require vendors to furnish two documents before entering into a contract with a municipality. In order to expedite the process and enable both you and the Township to work together as soon as possible, please provide the two documents cited below *together with your bid submission*.

[A]

The Mandatory Equal Employment Opportunity language in N.J.S.A. 10:5-31 ET SEQ., N.J.A.C 17:27, pages A12-13 in your bid package, reads:

"The contractor shall submit to the public agency, after notification of award but prior to execution of a goods and services contract, one of the following three documents:

1. Letter of Federal Affirmative Action Plan Approval [from the Office of Federal Contract Compliance Programs (Attachment 1) [or on the web at <https://www.dol.gov/ofccp/regs/compliance/faqs/faapfaqs.htm>]
2. Certificate of Employee Information Report [a certificate from the State Treasurer's Office (see Attachment 2)]
3. Employee Information Report Form AA302 (Attachment 3) or on the web at http://www.state.nj.us/treasury/purchase/forms/AA_%20Supplement.pdf]

[B]

The vendor's NJ Business Registration Certificate (BRC) is required pursuant to (P.L. 2009, c315 to N.J.S.A. 52:32-44).

Vendors who do not yet have a BRC may file for one on-line at <http://www.state.nj.us/treasury/revenue/busregcert.shtml>

Dear _____

Our recent compliance review of your establishment's equal employment opportunity policies and practices was completed on February 27, 20__.

We found no apparent deficiencies or violations of Executive Order 11266, as amended, Section 503 of the Rehabilitation Act of 1973 or 38 USC 2012 (the Vietnam Era Veterans' Readjustment Assistance Act). Accordingly, your establishment is deemed to be in compliance with these laws based on the material reviewed.

The Office of Federal Contract Compliance Programs sincerely appreciates the cooperation and courtesies extended by you and your staff during the conduct of the compliance review.

Sincerely,

Area Office Director

N.J.S.A. 10:5-31 et seq. (P.L. 1975, C. 127) And N.J.A.C. 17:27
GOODS, PROFESSIONAL SERVICE AND GENERAL SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union of the contractor's commitments under this chapter and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to make good faith efforts to meet targeted county employment goals established in accordance with N.J.A.C. 17:27-5.2.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, and labor unions, that it does not discriminate on the basis of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the targeted employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor shall submit to the public agency, after notification of award but prior to execution of a goods and services contract, one of the following three documents:

- Letter of Federal Affirmative Action Plan Approval
- Certificate of Employee Information Report
- Employee Information Report Form AA302 (electronically provided by the Division and distributed to the public agency through the Division's website at www.state.nj.us/treasury/contract_compliance)

The contractor and its subcontractors shall furnish such reports or other documents to the Division of Purchase & Property, CCAU, EEO Monitoring Program as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Division of Purchase & Property, CCAU, EEO Monitoring Program for conducting a compliance investigation pursuant to **Subchapter 10 of the Administrative Code at N.J.A.C. 17:27.**

AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the Township of Lakewood (hereafter the "Township") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42U.S.C. 5121 01 et seq.) which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the Township pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the Township in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the Township, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the Township's grievance procedure, the contractor agrees to abide by any decision of the Township which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the Township, or if the Township incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The Township shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim, If any action or administrative proceeding is brought against the Township or any of its agents, servants, and employees, the *Township shall expeditiously forward or have forwarded* to the contractor every demand, complaint, notice, summons, pleading, or other process received by the Township or its representatives.

It is expressly agreed and understood that any approval by the Township of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the Township pursuant to this paragraph.

It is further agreed and understood that the Township assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the Township from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

- 2. The roof thickness shall be 12 gauge. _____
- 3. The roof steel grade shall be ASTM A-715 GR 80F. _____
- 4. The roof yield strength shall be 80,000 PSI. _____

F. Rear Tailgate

- 1. The rear tailgate shall be hydraulically operated, bustle type with an automatic lock mechanism and hydraulic safety locks. _____
- 2. Tailgate sides and rear thickness shall be 12 gauge. _____
- 3. The tailgate steel shall be ASTM A-715 GR 80F _____
- 4. The tailgate yield strength shall be 80,000 PSI. _____
- 5. The tailgate shall be operated by 2 lift cylinders. _____
- 6. Tailgate cylinders shall be chromed. - plated _____
- 7. Tailgate cylinder bore shall be 2+1/2". _____
- 8. Tailgate cylinder rod diameter shall be 1+3/4". _____
- 9. Tailgate cylinder stroke shall be 39". _____
- 10. Tailgate cycle time shall be 55 seconds. _____
- 11. A rubber seal shall be installed on the tailgate to prevent liquid leakage and banging on back of the body. _____
- 12. Tailgate seal shall extend across the entire bottom of the body and vertically up each side at least 30 inches. _____
- 13. A cab mounted and audible alarm shall be provided to indicate that the tailgate is unlocked. _____
- 14. A manual control with safety lock shall be installed in the cab to prevent accidental activation. _____
- 15. Tailgate safety prop rods shall be provided. _____
- 16. The tailgate hinge pins diameter 1 1/4 _____

G. Packer

- 1. The packer shall be 24" high providing 66,750 lbs of force on the material, ensuring efficient packing. _____
- 2. The packer shall be unitized, integral with the body. _____
- 3. The packer shall be guided by 2 rails in which wear plates are made of steel grade Hardox 450. _____

4. Wear plates thickness shall be 1/4". _____
5. Rail dimensions shall be 3 +1/2"x 2+3/16". _____
6. Packer wear shoes steel grade shall be Hardox 450 _____
7. Packer wear shoes thickness shall be 3/8". _____
8. Cylinder boar diameter shall be 4". _____
9. Cylinder road diameter shall be 2+1/2". _____
10. Cylinder stroke shall be 40". _____
11. Maximum operation pressure shall be 3000 psi. _____
12. Maximum compaction of refuse shall be 900 pounds per cubic yard. _____
13. Inside width of packing ram shall be 65 1/2". _____
14. Inside height of packing ram shall be 24". _____
15. Packing ram stroke shall be 52". _____
16. Packing ram top steel grade shall be A-514/CHT-100. _____
17. Packing ram top thickness shall be 1/4". _____
18. Packing ram top yield strength shall be 100,000 psi. _____
19. Packing face plate steel grade shall be A-514-CHT-100. _____
20. Packing face plate thickness shall be 1/4". _____
21. Packing face plate yield strength shall be 100,000 psi. _____
22. Packing ram sweep volume shall be 1.75 cubic yards. _____
23. Penetration of the ram into the body shall be 6". _____
24. Packer ram cycle time shall be 18 seconds at idle . _____
25. Packer shall be reinforced with a combination of structural members for maximum rigidity. _____
26. Packer controls shall consist of start, retract and emergency stop. _____
27. Emergency red button shall be provided to stop packer ram movement at any time. _____
28. One complete set of packer controls located in the cab shall be provided. _____
29. Control buttons shall be heavy duty, industrial type, color coded, corrosion proof and weather resistant. _____
30. The packer cycle shall be programmable, after the grab is activated. _____
31. An automatic packer cycle occurs after a seven second delay. _____
32. The number of complete cycles will be easily adjustable _____
33. From 3 to 6 cycles. (Multi-Cycle) _____

H. Hydraulic System

1. Hydraulic pump shall be a double Denison Vane pump. T6DC _____
2. The hydraulic system shall be designed to ensure easy maintenance. _____
3. System shall be composed of 2 fixed displacement vane pumps for the body functions, pumps shall have a common suction port. _____
4. Hydraulic system shall work at idle speed of 850 rpm. _____
5. Vane pump for body function shall deliver 20 gpm @ 700 rpm. _____
6. Vane pump for arm function pump shall deliver 16 gpm @ 700 rpm. _____
7. Hydraulic system pressure relief valve for the arm shall be 3,000 psi. _____

8. Hydraulic system pressure relief valve for the body shall be 2100 psi. ___ ___
9. Capacity of the hydraulic reservoir shall be 85 gallons. ___ ___
10. The hydraulic reservoir shall be equipped with a magnetic drain plug, oil level sight gauge and shut-off valves in the suction line. ___ ___
11. The in-tank returns line filter capacity shall be 150 gpm. ___ ___
12. Suction line strainer size shall be 100 mesh. ___ ___
13. All hoses shall be double braided wire minimum, high burst capacity and reinforced with nylon wrap to prevent chafing. ___ ___
14. Hydraulic tubing shall be used where flexibility is not needed. ___ ___
15. All pipes shall be zinc coated to prevent corrosion. ___ ___
16. All hydraulic tubing shall be securely clamped to prevent vibration, abrasion and excessive noise. ___ ___
17. All hydraulic hoses shall conform to S.A.E. standards for designed pressures, bends shall not be less than recommended by S.A.E. standards. ___ ___
18. Hydraulic system shall operate at an acceptable temperature without the need for external hydraulic oil cooling devices. ___ ___
19. Quick disconnect fittings shall be provided so that a pressure gauge can be easily connected without the use of tools or the need to remove hydraulic fittings. ___ ___

I. HD Cart Lifting Mechanism

1. Arm shall be fabricated from highly resistant steel plate, grade ASTM A-514. ___ ___
2. To reduce torque on the chassis frame the entire arm assembly is to be mounted underneath the body ___ ___
3. Frame mounted arms will not be acceptable ___ ___
4. Arm lift yield strength shall be 1000,000 psi. ___ ___
5. All cylinders shall be chromed 0.002" minimum with a spherical bearing at each end. ___ ___
6. Grab has an automatic closing function when dumping ___ ___
7. Grabber fingers are controlled by two synchronized ___ ___
8. Shall use high friction rubber replacement blocks ___ ___
9. Leveling rods have spherical bushing at both ends ___ ___
10. Grab assembly should enable loading roll carts of 32 to 95 US gallons. ___ ___
11. Maximum lifting capacity at minimum reach shall be 1000 lbs. ___ ___
12. Maximum lifting capacity at maximum reach 1000 lbs ___ ___
13. Lift function uses electronic cushioning for smooth action. ___ ___
14. A lock valve shall be integrated in the inner boom cylinder to prevent any movement of the arm without action of the joystick. ___ ___
15. The joystick uses contactless hall-effect technology ___ ___
16. The joystick shall have dead man switch ___ ___
17. An arm reset shall be installed in an adequate location for joystick operation. ___ ___
18. The township has required a **0 to 144" reach** so that the vehicle can ___ ___

easily maneuver cul-de-sacs (NO EXCEPTION)

19. Vertical dump height shall be 107-7/8 maximum and dump angle 47%. _____
20. Arm Weight not to exceed 1950 lbs . _____
21. Grabber valves are Electronic/ on/off type _____
22. Lifting mechanism cycle time, at minimum reach, shall be 10 seconds. _____
23. Lifting mechanism cycle time, at maximum reach, shall be 20 seconds. _____
24. Grab operating pressure shall be 1200 psi. _____
25. Arm maximum operating pressure 2000 psi _____
26. Arm C- rail extension steel and lift frame steel is A709 _____
27. Arm C- rail extension and lift frame yield strength is 36,000 psi _____
28. Arm I -rail extension yield strength is 100,000 psi _____
29. Extension rails cylinders diameter is 1.5 " and 1" chrome plated rod _____
30. Lift cylinder diameter is 3" and the rod is 1.75 " and is chrome plated _____
31. **Lift chains type and lacing are 6x6 leaf (NO EXCEPTION)** _____
32. Main arm shaft diameter is 4" _____
33. Inner tube wear pads are nyloil _____
34. Grabber cylinder diameter is 1.5" and rod diameter is 1" and is chrome plated _____
35. _____
36. Lifting device minimum cart size 36 gallon and maximum is 95 gallon _____
37. A spill shield to be mounted on arm to prevent spillage _____

J. Body Lifting Mechanism

1. The hoist cylinder shall be front mounted with outer cover and bottom lifting for greater stability of the tipped body.
2. Body shall be raised by one single acting front-mounted telescopic cylinder. _____
3. Cylinder shall be 4-stage with a stroke of 180". _____
4. Body cylinder bore diameter shall be 6 +1/2". _____
5. Body dump angle shall be 45 degrees. _____
6. Safety prop shall be supplied to support the body in the raised position. _____

K. Electrical System (MULTI PLEX)

1. All stop, tail and clearance lights shall be recessed mount and watertight. _____
2. All lights shall be provided following FMVSS #108. _____
3. Rear lights to be integrated to tailgate structure. _____
4. **Work and safety lights to be installed are as follows:**
5. One hopper work light. One arm light _____
6. A multi-function light package consisting of 4 round amber lights and an oval center brake light in upper tailgate / Front mounted LED Alternating flashing 4" amber lights _____
7. Mid-body back up lights installed on rub rail _____
8. O.S.H.A. approved back-up alarm shall be provided. _____
9. Limit switches shall be heavy duty, industrial type, water tight with adjustable arm and over travel to prevent damage. _____

- 10. All circuits shall be properly fused and wiring shall be color coded and numbered. ___ ___
- 11. Wiring shall conform to SAE J1128. ___ ___
- 12. Multiplex wiring with on board diagnostics ___ ___
- 13. Electric/pneumatic valves are installed in water tight box ___ ___
- 14. All electric wires are run in side rub rails with bolted access panels for easy access, (No wiring under body) ___ ___
- 15. All body and arm function are controlled via a can open network ___ ___
- 16. An LCD display with intergrated diagnostic function is installed in the cab, real time operation assistance with continuous system status on screen / all switches are illuminated ___ ___

L. Accessories

- 1. Mud guards shall be installed in front of the intermediate axle. ___ ___
- 2. Mud flaps shall be installed behind the rear axle. ___ ___
- 3. Broom and shovel with holders supplied and mounted. ___ ___
- 4. Triangle safety kit shall be mounted in the cab. ___ ___
- 5. A ladder on curb side, to access the hopper, shall be provided. ___ ___
- 6. **One complete observation system to include:**
- 7. Three camera, color 7" flat screen LCD monitor. ___ ___
- 8. Integrated audio speakers. ___ ___
- 9. Backlit controls. ___ ___
- 10. Day/night brightness mode. ___ ___
- 11. One hopper, one at the rear and left side mirror ___ ___
- 12. Hopper pre-crusher panel (cab controlled) ___ ___
- 13. Auxillary arm controls / right side in cab (mini joy stick) ___ ___
- 14. 20 LB Fire extinguisher including brackets & protection bag ___ ___

M. Painting process

- 1. The truck shall be properly cleaned of all dirt, grease and welding slag. ___ ___
- 2. Body and hopper and arm are shot-blasted with steel beads ___ ___
- 3. One coat of polyurethane primer Imron Elite shall be applied. ___ ___
- 4. One finish coat of WHITE polyurethane Imron elite shall be applied. ___ ___
- 5. Primer coat and finish paint coat shall be dried at 125 degrees. ___ ___
- 6. The body shall be painted one color ___ ___
- 7. The arm is powder coated yellow ___ ___
- 8. Conspicuity tape according to ANSI standard shall be installed on the body.. ___ ___
- 9. "Right hand side driver" & "Stay back 50 feet" stickers shall be applied on the rear of the hopper. ___ ___

N. Manuals

Parts, service and operators manual shall be supplied for:

1. The refuse packer, cab & chassis. (A compact disc will be accepted) ____ ____

O. Misc.

- 1. All body hinges, cylinder rod ends, cylinder base trunnion and pivot points shall be supplied with grease fittings. ____ ____
- 2. Packer grease fittings shall have easy access outside the boggy. ____ ____
- 3. Grease chart shall be permanently affixed to the body. ____ ____

P. Warranty

- 1. The length of warranty on defective parts shall not be less than two years. ____ ____
- 2. Length of warranty on automated arm shall not be less than two years. ____ ____
- 3. A clear and concise statement of the terms and conditions of the warranty shall be supplied. ____ ____
- 4. The body manufacturer is certified ISO 9001 and includes certification ____ ____
- 5. Training and delivery will be at township facility / All bidders must be an authorized dealer for the product being offered with a parts and service facility within 50 miles of the township. Please state location _____.
During the warranty period the township will require the successful bidder to transport vehicle if warranty work is to be performed (No exception will be allowed) _____

Q. Snow Plow Hydraulics

- 1. A load sense hydraulic line and of a second danfoss PVG 32 on/off control valve with two section for up/down and left and right will be installed by body manufacturer. _____
- 2. A mini joystick will be installed on main console. _____
- 3. The snow plow installer will complete the installation. _____

Successful bidder will conduct class room technical training at the township facility for mechanics and operators

Please state delivery after receipt of order _____

R. Optional Lube sytem

A multi line line lube system with programmable controller to be installed on arm only

2017 OR NEWER MACK LR613 CAB & CHASSIS OR EQUIVALENT

COMPLIANCE TO MINIMUM BID REQUIREMENTS:

All bidders must answer compliance questions in full. If a bidder is basing his proposal on equipment intended to be an "or equivalent" product to what is specified in these bid documents and wishes the equipment they propose to be considered as an "approved equivalent", they must answer all compliance questions in full. IN ADDITION, bidder shall submit on their letterhead, a list of details supporting any and all deviations in the exact format of the specifications contained herein. A general exception cannot be taken for any paragraph or item. Note – this full and detailed written comparison of every item must be included with proposal or bid will be rejected as non-responsive to the specifications. Literature of all equivalent products shall be submitted with bidder's proposal. A local demonstration of all proposed equipment shall be performed promptly if required. One year manufacturer towing if chassis cannot be driven for repair and warranty at no charge.

MODEL INFORMATION REQUIRED ON ALL EQUIPMENT BID: The manufacturer, make and exact models bid shall be submitted with all proposals.

DURATION OF CONTRACT: The duration of this contract shall be for a maximum of two (2) years and shall take effect from date of award until two (2) years from that date.

QUANTITY: The quantity of this contract shall be from 1- 6 units.
