Attention residents:

Effective immediately, all Lakewood Township Municipal Offices and Buildings are closed to the public until further notice. Offices will remain open and staff members are available by phone and email. Township staff will accommodate any need that requires direct interaction and is time sensitive. Public Works services, i.e., sanitation and recycling collection, will continue as normal.

If you need to reach an office in the Municipal Building, please call 732-364-2500.

- The [Clerk and Vital Statistics](#) can be reached at extension 5233
- The [Building Department](#) can be reached at extension 3760
- The [Public Works Department](#) can be reached at 732-905-3405.
- For all other offices, our switchboard operator can assist you.

Many services can be done online. Please visit the Lakewood Township Website at www.lakewoodnj.gov for those services.

This precaution is being done to protect the citizens of Lakewood Township and the municipal staff. In the meantime, all citizens are urged to avoid going out unless absolutely necessary. Practice social distancing in an effort to slow the spread of this virus. The CDC recommends a six-foot buffer in all social settings. We all have an obligation to our neighbors and loved ones to take responsible steps towards fighting and slowing the spread of COVID-19. The safety precautions we use in the coming weeks will be immeasurable in maintaining good health and protecting those most vulnerable in our families and community.
